An FSA ID gives you access to Federal Student Aid's online systems and can serve as your legal signature.

Only create an FSA ID using your own personal information and for your own exclusive use. You are not authorized to create an FSA ID on behalf of someone else, including a family member. Misrepresentation of your identity to the federal government could result in criminal or civil penalties.

To create your own personal FSA ID, enter answers for the questions below and select CONTINUE.

Important: When you are done click the CANCEL button to clear your data, even if you did not finish creating your FSA ID. This is a U.S. Federal Government owned computer system, for the use by authorized users only. Unauthorized access violates Title 18, U.S. Code Section 1030 and other applicable statutes. Violations are punishable by civil and criminal penalties. Use of this system implies consent to have all activities on this system monitored and recorded, which can be provided as evidence to law enforcement officials.

STEP 2: Once the identity information has been provided, you will be asked to enter your FSA PIN number in order to link PIN to your FSA identity.

Creating an FSA ID

If you already have a PIN, you can link your information to your new FSA ID by entering your PIN while registering for your FSA ID. (This will save you time when registering for your FSA ID.) If you've forgotten your PIN, don't worry; you can either enter the answer to your PIN "challenge question" during the FSA ID registration process to link your PIN, or you can just create your FSA ID from scratch. **A PIN is not required to create an FSA ID** but may delay the time at which your FSA ID may be verified and used.

Link Your PIN to Your FSA ID

Enter your Federal Student Aid PIN below and select VERIFY to link it to your FSA ID. If you do not remember your PIN, select Help for more details or use the Forgot My PIN link.

By linking your PIN to your FSA ID, you will be able to use your new FSA ID with all FSA systems immediately.

If you don't remember your PIN or the answer to your PIN challenge question, then select CONTINUE WITHOUT PIN. We will send your information to the Social Security Administration (SSA) for confirmation. This takes 1-3 days. You will receive an e-mail when the match is complete. You can sign and submit an original FAFSA with your new FSA ID right away. For access to most other FSA systems, you must wait for SSA confirmation.

STEP 6: Once you have completed your security questions, you will be sent a secure code to the email you have provided in your profile information. This will verify your email account.

The screenshot shows the 'Verify Your E-mail' step. At the top left is the 'Federal Student Aid' logo with the tagline 'An OFFICE of the U.S. DEPARTMENT of EDUCATION'. To the right is the text 'PROUD SPONSOR of the AMERICAN MIND®'. The main heading is 'Verify Your E-mail'. Below it is a paragraph: 'An e-mail containing a secure code was sent to your e-mail address on file. Important: If you're accessing your e-mail via the Web, make sure to open a separate browser tab or window. If you did not receive an e-mail, you can [request a new secure code](#).' Below this is the heading 'Enter the Secure Code' and a paragraph: 'Enter the secure code below and select CONTINUE to verify your e-mail address. After you verify your e-mail address, you can use it as your username when logging in.' A note follows: 'Note: It may take a few minutes for the e-mail to arrive. Check your junk folder if you cannot find the message in your inbox. Some e-mail providers require that you add an e-mail address to your address book before you can receive any e-mail from that address. To ensure that our messages can be delivered to your inbox, enter our originating e-mail address, FSA-ID@ed.gov into your address book.' Below the text is a progress bar with four segments: 'Identity', 'Profile', 'Review & Confirm' (which is highlighted in green), and 'Done'. Below the progress bar is a form with a label 'Secure Code *' and a text input field. To the right of the input field is a small icon of a speech bubble. Below the input field are three buttons: 'CANCEL', 'CONTINUE WITHOUT VERIFYING', and 'CONTINUE >'. The 'CONTINUE >' button is highlighted in green.

STEP 7: Next, you will certify that you have read and accept the terms and conditions of creating the FSA ID. *And Viola!* You have successfully created your FSA ID.

The screenshot shows the terms and conditions certification step. It features a scrollable text area with the following text: '• change your password by selecting Change My Password under the Edit My FSA ID tab, or • disable your FSA ID so that no one can use it by selecting Disable My FSA ID under the Edit My FSA ID tab. I declare under penalty of perjury under the laws of the United States of America that the information that I have provided to obtain an FSA ID is true and correct, and that I am the individual who I claim to be. I understand that falsification of this statement may be punishable by a fine, by imprisonment of not more than five years, or both. If you agree to these terms, select the "I certify that the above information is correct & accept the terms & conditions". If you do not agree to the conditions, select CANCEL.' Below the text area is a checkbox with the text 'I certify that the above information is correct & accept the terms & conditions'. The checkbox is checked and highlighted in yellow. Below the checkbox are three buttons: 'CANCEL', 'PREVIOUS <', and 'CONTINUE >'. The 'CONTINUE >' button is highlighted in green.

Parents of student financial aid applicants must create their own FSA ID as well and can apply for an FSA ID at any time. If you don't have one by the time you enter any of the sites that require it, you will be prompted to apply for one. However, if you think the Social Security Administration (SSA) might have the wrong name or date of birth for you in its records, go to www.ssa.gov now to find out how to correct any errors. Your information must be correct with the SSA before your FAFSA or FSA ID can be processed. FSA IDs are required when accessing the following websites:
