Dear Parents,

I attended a lovely tea for the Homecoming Court at Pam Oropeza 's house on Thursday evening. Thanks to Pam, her Mom, Carol Cotton, Yvette Talbot and Leslie Holmes for sponsoring this event. I had an opportunity to meet the Moms of the girls on the court and to look at amazing scrapbooks of Homecomings in the past. It was enjoyable to see Key West High School's rich heritage unfold on the pages of these books.

We are gearing up for Homecoming Week and I know that all the classes and their sponsors will be busy finishing up their floats and practicing skits for the parade on Monday evening. Please join us on Flagler Avenue to view our parade. All Homecoming events are listed in this newsletter.

College night on Tuesday evening was a huge success. Many parents and students visited the tables to get literature from their favorite colleges. Florid schools were well-represented. Many thanks go to the Guidance Department and particularly to Mrs. Calleja for putting g the evening together.

Juniors will join the ranks of those seniors who qualify for off campus lunch. Juniors must have a 3.0 GPA and no more than three absences to participate in off campus lunch. We will notify them when our calculations are complete and a lunch pass is prepared for each of them.

I am still reviewing the whole off-campus lunch policy. As you and the students know – the most important thing to be successful in high school is to come to school every day, to be on time for class, to be prepared for the day with materials and homework and to show respect to teachers and to each other. We have many parents who bring their students to school late on a regular basis. This is something that stands in the way of a student's success and we all must try to work on this as a school family. As I told you in my last newsletter, we are working on an attendance incentive to help motivate the students to get here every day and on time. We are very much looking for donations to support the program. If you would like to donate money or an electronic device to the program (you all know what the students prefer), please contact me. I would be most appreciative of your support. I have reviewed the grades for the first nine weeks and there is a direct correlation between the number of failing grades that a student has received and poor attendance.

If you can't make it out to Tommy Roberts tonight for our big district game against Miami Jackson, remember to watch it Live on @KeysBank.com on the exclusive "[Keys Community](#)" Page!

Have a great weekend,
Yours in education, Terri Axford

November 5, 2010

Important Dates
