

## Addendum to March 6, 2012 MMHS School Advisory Council Minutes

Enclosed is Marathon Middle/High School's final plan for the A+ School Recognition funds. A representative committee of peers solicited plans from their respective groups and then meet together to determine a process and outcome for the A+ school recognition funds awarded during the 2011-2012 school year. The committee ultimately decided to use a unit allocation ballot that listed all allocations represented in the plans and let the faculty individually vote with a majority ruling the final vote. The following caveats were included on the ballot:

### Voting Criteria

- Faculty and staff will vote at the staff meeting Tuesday, February 28, 2012 at 2:45. Those with an excused absence must submit their vote by 2:20 Wednesday.
- The final ballot is a combination of all the proposals submitted to this committee.

### Time period

- Must be present at least 50% of school year or less than 50% but ended school year,
- Must have left in good standing,
- Present during 2010-2011 school year.

### Additional Caveats

- In the event of a tie, the award will go to the higher proportional split.
- Share will be prorated based on percentage of assigned time to MHS.

<b>Final A+ Recognition Fund Units/Allocations</b>	
Units for the 2010-2011 School Year	Allocation
Teachers	1
Guidance	1
Paraprofessionals	1
