1. Meeting opened at 5:30 p.m. with pledge of allegiance.
2. January minutes approved by Nicole Strama and seconded by Tanya Sly.
3. Principals Report, Mrs. Paul
 - School Improvement Plan

First part of goal entails plans which include making ELA gains, focusing on Tier 1, collaborative planning, providing targeted supports for students who need intervention, Math block training, modeling and using staff effectively.

Second part of goal includes improving our approaches to Social Emotional Learning, now called Healthy Learning Initiative, utilizing resources available through Classroom Champions, PBIS and Dolphin Pride, which we are revamping. We are continuing to screen data in order to identify and prioritize needs which include Tiers 2 and 3 by working with them in small groups, conducting behavior data chats, and monthly monitoring.
 - Mid year data – Our academic gains are looking really good: Star reading growth report shows gains from fall to mid year, our lowest growth area over the last five years is showing a nice jump in gains while our high growth areas have increased as well. Our ISIP monthly assessment for reading is indicating improvements as well. Our ISIP assessment in Math indicators are reflecting large amounts of growth in the fifth grade.
 - Our focus for the second semester in ELA will be Collaborative Planning & Support Models, Ongoing monitoring of Interventions, Learning Goals, and AVID. For Healthy Living Initiative, we are reviewing screening data, aligning resources, and utilizing Classroom Champions, PBIS and Dolphin Pride.
 - District Strategic Planning Survey & Town Hall, February 9th

We hope everyone had a chance to fill out survey and look forward to a good turnout at the town hall meeting next week.
 - Jogathon – We will hold our runoff for the top runners this Friday during students’ specials times. The event will be livestreamed.
 - Talent Show, March 16th

Drama Club is organizing this event; also organizing a fundraiser dance to take place on 2/17 for 3rd, 4th and 5th grade students.
 - Safe & Healthy Schools - We have had a lot of cases unfortunately.

4. Assistant Principals Report, Ms. Sarah Adams
 - Healthy Living Initiative – New Theme for February is Optimism and Teamwork. We are proud to feature Mr. Willis on our district website.
 - Hate/Derogatory Speech – It is important to make sure students know the difference between name-calling and hate speech. The district is addressing the difference between these situations. With Classroom Champions, there are resources to educate students on these topics. We hope parents will utilize these resources.
5. Title I Update, Tanya Sly
 - Parent Resource Center – In the front lobby, there are books on loan in the front office. There is also a parent resource center the Media Center.
 - Celebrating Literacy Week – We had a great CLW. Many parents came to our PTK night; about 100 people attended.
