VIRTUAL LEARNING BEGINS APRIL 1, 2020

The Monroe County School District has developed a comprehensive online distance learning program to support students during the CO-VID 19 Pandemic of 2020. Student Schedules have not changed at this time and teacher has prepared online content to be provided in real time via an online platform. All students can access materials and class information by following the directions below.

Students should login via

Launchpad.classlink.com

Login is login ID (first initial last name) and password is 44Lunch#0

District issued Chromebook should auto load the classlink/my.keysschools.com page

All students will initially access all class components via Google Classroom.

Google Classroom™

We are here to help! If you need support with a district issued device or usernames and passwords, please reach out to Antoine Massih at 305-745-3282 EXT. 50314

Please contact Kevin Walden for content and program clarification questions that cannot be answered by the classroom teacher. Kevin.Walden@Keysschools.com PH 786-475-4469
