 2. **Provides resources for improvement and achievement**
 3. **Subcategories of the test**
 4. **This is a year-long test with three sessions – BOY, MOY, EOY**
 5. **At or near grade-level is good considering we are only halfway through school year; Above grade level is excellent; below grade level we should be identifying extra intervention support and resources for your student to hopefully improve and get on grade-level by EOY.**

- iv. Information on how to access the FAST family portal; flyer available in recorded presentation which will be available to review soon
 - v. You can access the FAST family portal WITHOUT a Focus account; login information can be provided through our school, if needed just call office
 - vi. Resource programs to support student learning – Classlink Quickcard and webpage with IXL, Amira, iStation, MyOn (virtual reading library)
 - vii. 3rd Grade – mandatory retention year; students performing at level 1 by EOY could miss promotion to 4th grade; however, we will offer Summer School resources to help get your child promoted to SY 2526
 - viii. Computer Adaptive Testing – each student K-5 has a unique test; if a question is answered right a slightly harder question is given next, if wrong, an easier question will be given; test adapts to each student’s learning level
 - ix. Students are encouraged to try their best on each question; cannot move forward until question is answered
 - x. If the test is getting harder that’s good; we should let our students know so they better understand this format
 - xi. How can Parents help?
 1. Have conversations with your child about their test scores and results; communicate how they can improve
 2. Encourage them to use at-home resources with Classlink Quick Card
 3. Encourage them to do their best on every question
 - xii. This presentation with all information will be posted on our Social Media and webpage for review
