Q&A No.1

- Q1. On the Related Project Experience section, is it a total of 10 projects, including pre-construction, construction management, and continuing services projects? By “pre-construction”, does the county refers to the pre-design and design phases?

A1 - Please refer to Addendum 1 located at

<https://fl02202360.schoolwires.net/cms/lib/FL02202360/Centricity/Domain/36/2020021%20SLS%20Addendum%20No1.pdf>

- Q2 Should we include projects of our sub-consultants to show their experience? If so, do their projects count towards the limit that has been established?

A2 – Only include projects where BEA Architects were selected as the A/E Services firm working within a CMAR project delivery method

- Q3 Can the Professional/Technical Staff and On-site Staff be the same people? If so, are we required to submit their resumes twice?

A3 – Yes. Resumes do not need to be provided more than once per person.

- Q4 Does the financial statement must be audited?

A4 – An audited financial statement is not required. A financial statement on your banks letterhead will be acceptable.
