Q&A Response No: 3

Q1. Pricing for “Sugarloaf Temporary Campus” is to include services for the entire site with the exclusion of the new construction area identified with an X on the site map?

A1. Correct, the area with the red X is where the current construction fences are. Services would include the entire campus minus what is inside of the construction fence.

Q2. Pricing for “Sugarloaf Completed Campus” is to include services for existing and future landscape?

A2. Correct.
