Make a difference with a sweet gesture. Buy a candy card today and help make their educational adventure a reality!

Thank you to our Keys to Be the Change Volunteers for visiting with our students weekly to instill a love of Reading!

SIGN UP TODAY!

We are so excited about our school's American Heart Association Kids Heart Challenge kicking off! We are asking you to register for our Kids Heart Challenge team and help us reach our goal of 100% of our families learning the lifesaving skill of Hands-Only CPR. Last year, 5-year-old Phil and his mother, Megan, saved a life because they watched the Hands-Only CPR video (part of Finn's Mission).

Get started today and be the first at our school to complete Finn's Mission!

- **[Click Here to Register](#), or download the free "AHA Schools" app.**
- **Complete Finn's Mission: Watch the 2-minute Hands-Only CPR video featuring cardiac arrest survivor, Damar Hamlin, and watch a music video on the warning signs of a stroke (F.A.S.T.).**
- **Share with Family & Friends: Send messages via social media, text messages and/or email.**

Help our class win the classroom challenge by registering and completing Finn's Mission. We can create a community of lifesavers!

Thank you!

Please Support our Domino's Fundraiser

Our Fundraiser runs through February 13th- please be sure and return order forms to your homeroom teacher!

You can purchase the Slice the Price Card through students or online at: <http://stpcards.com/42246>

Counselor's Corner; Parent Tips & Tricks

February 2024

Attendance

Build the Habit of Good Attendance

- Showing up on time every day is important to your child's success and learning from preschool forward.
- Missing 10% of school (1 or 2 days every few weeks) can make it harder to: Gain early reading and math skills, and building relationships.
- Set a regular bedtime and morning routine.

Parent-Teacher Relationship

The Parent-Teacher Relationship

- It is important for parents to get to know their children's teachers, creating an open line of communication between the parent and school throughout the school year.
- Attend parent-teacher conferences and carefully read all correspondence from your child's teacher and school.

Be Ready to Learn

Send Your Child to School Ready to Learn

- Kids also need enough sleep to be alert and ready to learn all day. Most school-age kids need 9–12 hours of sleep a night.
- Bedtime problems can come up at this age for a variety of reasons. Homework, sports, after-school activities, games and TV, and hectic family schedules can lead to kids not getting enough sleep.
- Lack of sleep can cause irritable or hyperactive behavior and might make it hard for kids to pay attention in class. It's important to have a consistent bedtime routine, especially on school nights. Leave enough time before lights-out for your child to unwind, and limit media use like TV, video games, and internet access.
