PBS BOOTH AT CHILDREN'S DAY: We are excited about the approach of Children's Day on November 1st! Gerald Adams will have a booth for water, Capri Suns and snow cones! All money earned goes to fund our PBS! In order for this to be a success we will need water and Capri Suns. Students that donate a case of water will get \$20 Dolphin Dollars! Students that donate a box of Capri Suns will get \$10 Dolphin Dollars! Thank you for making this event a success!

ROTARY PURPLE PINKIE PROGRAM: On October 23rd, the Rotary Clubs of Key West will be raising money to end World Polio. Students are asked to stain their pinkie as a pledge to end polio in the world. All students can participate with parent permission. Each student is asked to donate \$1 or more. These funds will be used to vaccinate children against polio.

STANDARDS

NIGHT: On October 15th, at SAC, we

will

present the changes in the Florida Standards and provide resources for parents to support their child's learning. The meeting will begin at 5:00 in our media center.

MESSAGE FROM COACH HENRIQUEZ:

Please make sure your child wears sneakers on P.E. days. Without sneakers your child will not be able to participate in Physical Education and their grade will be impacted. This rule is for the safety of your child.

5th GRADE MUSIC SHOW: The 5th grade music concert is this **Thursday October 15th** at 6:00pm and dinner will be available for purchase at 5:30pm. Students should arrive dressed in colorful clothing for our Carnival theme. Attendance is required for all 5th grade students, so please contact Mr. Smith immediately if your student is unable to attend.

AR COUNT: Our school wide Word Count is way up this year! At this rate we will set a new record. We added two third graders to our top readers this time. Congratulations to Nathaniel Duncan and Molly Catena for your reading progress! The more you read, the more you know!

For the dinner we are having Lasagna: Please donate to the 5th grade dinner if you are able. We have asked that classes bring the following items:

Greenan-Baker's Class: Ground Beef, Frozen Meatballs, and Frozen Garlic Bread

Sommer's Class: Spaghetti Sauce/ Tomato Sauce, Shredded Mozzarella Cheese, and Plastic Utensils (Forks, Knives, Spoons)

Gallagher's Class: Desserts, Cups, Paper Plates, and Drinks (water, soda, juice, etc.)
Thank you!
