**ODYSSEY OF THE MIND:** Congratulations to the two Odyssey of the Mind Teams that competed in Orlando at the University of Central Florida this past weekend! Both teams participated in Spontaneous Critical Problem Solving Activities and a Long Term Presentation they have been working very hard on for most of this school year. Although we did not score in the top categories for our competitions, we all had an amazing fun-filled adventure! Mrs. Madok would like to especially thank the parents, families, grandparents, and Gerald Adams teachers (Mrs. Pepper and Mrs. Logan) who attended. Dr. Herrin and Mrs. Romito were also valuable in the planning process to make our trip a success. I would also like to thank the many teachers around school who helped make this trip a success! We could not have done it without everyone's help!
