Lucy Keil and Sophia Perez participated in Florida State Science and Engineering Fair in Lakeland, and these two talented young ladies won the Northeast Florida Science and Engineering Fair Award for Outstanding Project, Junior Selection!

Kudos to them and to their science teacher Mr. Lara!

Students have been working extremely hard in preparation for FSA/EOC testing.

Please ensure that your child is present at school beginning at 8:40 on all testing days.

Please be sure your child has a healthy breakfast and a happy send-off each morning so he/she starts the day with energy and a positive attitude.

Thank you for working with us to make your child as successful as possible!

Parents are welcome to attend our Honor Roll Ceremonies in the Cafeteria!
