Arrival & Dismissal Procedures

We need your help! Safety is the most important focus of the parent drop off and pick up procedures. Cars should enter the area slowly (5MPH) in the loop. The right lane (closest to the curb) is the drop off / pick up lane. The left lane is considered the travel lane. To keep everyone safe, students may only enter or exit a vehicle when the vehicle is in the right hand lane. Students may only enter or exit the vehicle on the passenger side of the car closest to the sidewalk. **Drivers should not exit the vehicle!**

At dismissal, parents must remain in their vehicles and remain in the loop specific to the grade level they are picking up. For K-4 dismissal, a staff member will approach your vehicle for the student name (placard should be placed in front window) and call for the student to come out at that time.

Labor Day NO SCHOOL

Welcome aboard, Buccaneers!

Mr. Robinson, Mr. Bryan and Mrs. Keil all hope you and your family had a fun and relaxing summer! We are looking forward to another great year at HOB, and all of the opportunities to grow, and remain flexible throughout this school year. Mr. Robinson and Mr. Bryan will once again be collaborating to support all middle school students, and Mrs. Keil will be supporting all elementary students at HOB.

Mrs. Keil (rhymes with smile) is new to HOB this year! She comes to us with many years of experience and recently relocated here with her family from Spain where her husband served in the military.

With so many changes occurring so often, it is our hope for a safe, mentally happy, and physically healthy school year for every student. We encourage you to contact us via email if you have any questions or concerns.

Mr. Robinson: William.Robinson@keysschools.com

Mr. Bryan: Christopher.Bryan@keysschools.com

Mrs. Keil: Stacie.Keil@keysschools.com

We look forward to collaborating with you to aid in our students' success!
