HOB Athletics

Congratulations to the
HOB Buccaneer Football and Volleyball programs for their wins this week!!
Go Bucs!

Volleyball

The HOB Buccaneers started the season just as expected on Thursday evening with two wins in Monroe County volleyball against their rivals the Marathon Dolphins. B team started with a two-set win, taking a tight second set 25-23.

The Dolphin A team put up a great fight before falling to the Lady BUCS A team 16-14 in a thrilling third set.

Football

Long touchdown runs by Zentavious Carey and Jeef Dejean were just enough for the Horace O'Bryant Buccaneers to hold off a fired-up, young group of Titans from True North Academy and gain the first victory of the season.

The Bucs offense showed what it is capable of with speed and athleticism. They will get to work this weekend to improve in preparation for the always-tough Gulliver Red Raiders next Wednesday in Miami.
