# HOB Athletics

**Congratulations to the HOB Buccaneer Volleyball teams for their wins last week!!**  
**Go Bucs!**

## Volleyball

It has become a habit for the HOB Buccaneer volleyball teams so far this season. Match number three continued the early season trend with a pair of easy wins as the Bucs extended their undefeated season under Coaches Kristen Condella and Hilary Melon.

B-team started the night with excellent serving from Maicey Malgrat and raced to a two-set win 25-17 and 25-12.

A-team did not waste time either. They turned in the easier game first, 25-12 and then held off a spirited Marathon Dolphin team for a 25-18 closeout.

The girls went on the road on Thursday as they travelled to Key Largo School. Congrats to both the Lady Bucs Volleyball A and B teams for their victories against one of our toughest rivals. The B team won both matches, but the A team was truly challenged, losing the first set, battling back to win the second, and playing hard in the third to take the victory! Gotta love that Girl Power!!

They HOB Buccaneer Volleyball Teams will be home for 3 matches this week, Tuesday against Basilica, Thursday they take on Plantation Key School, and Saturday they face Key Largo School.

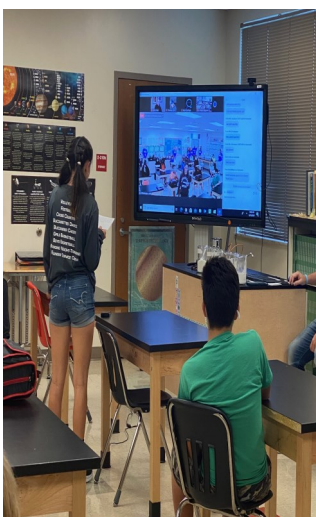

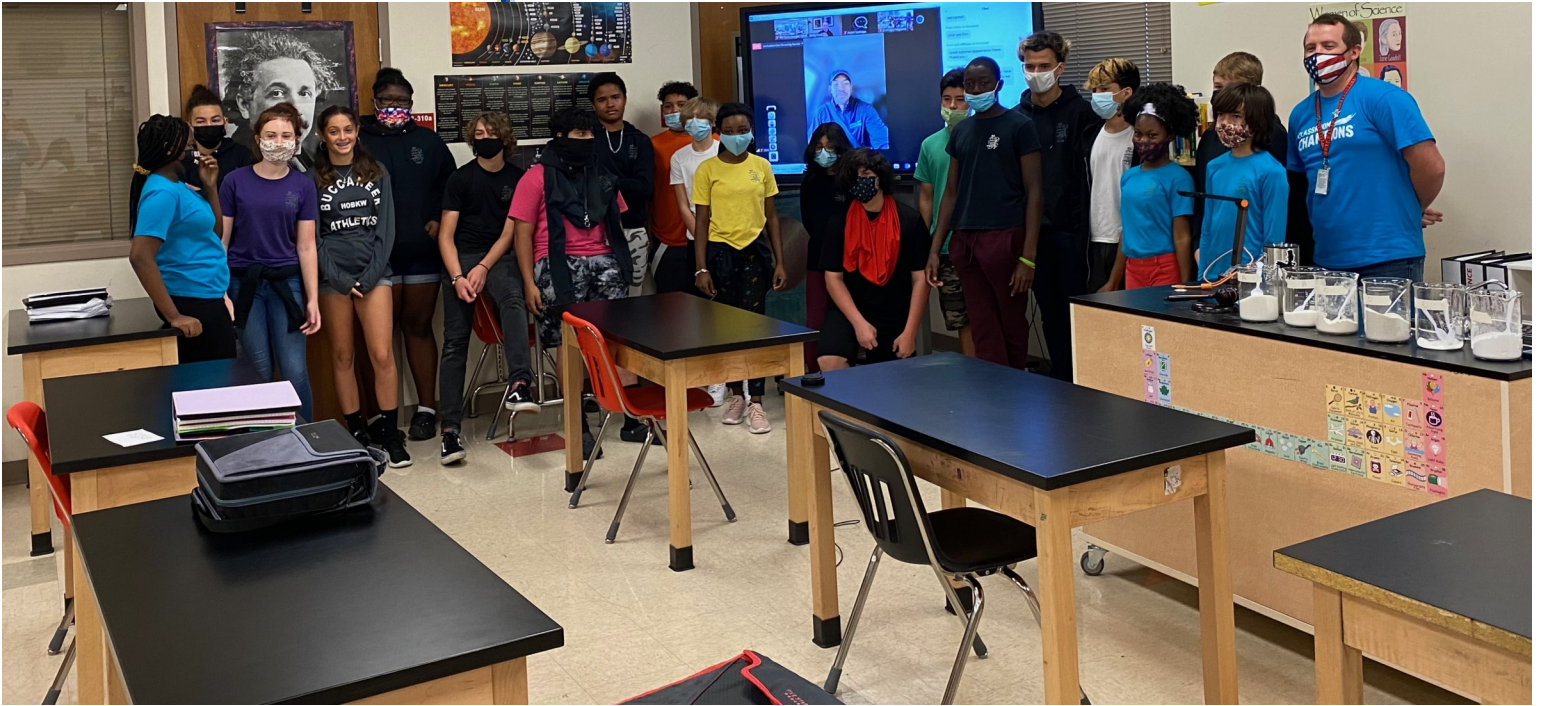

**Be aware that prices have changed!**  
**Adult tickets are now \$5 and student admission is now \$3.**  
**The gym should be rocking, so be ready!**

# CLASSROOM CHAMPIONS®

how better gets better and better

Monroe County School District has partnered with Classroom Champions, and HOB participated in a Live Event last week! Schools turn to Classroom Champions for inspiring Social and Emotional Learning (SEL) curriculum and mentorship programs to improve engagement, build growth mindsets, and inspire positive classroom culture.

The Monroe County School District is aware of the new Emergency Rule issued by the Florida Department of Health Wednesday afternoon regarding changes to quarantine rules for students.

The rule, which can be found at <https://floridahealthcovid19.gov/wp-content/uploads/2021/09/64DER21-15.pdf>, gives parents a choice whether or not to quarantine a student exposed to Covid-19 who is not exhibiting symptoms of the disease.

MCSD will comply with the Emergency Rule, signed by State Surgeon General Joseph Ladapo. The district urges all parents, particularly those with students who are known to have been exposed to Covid-19, to continue to monitor those students closely for symptoms of Covid-19 and to keep them home if they show any symptoms at all.

"Our main goal is to keep students and school staff safe from disease so they can continue to attend school every day," said Superintendent Theresa Axford. "We need everyone to work together toward that goal. We encourage everyone to continue to wear masks while indoors, practice safe-distancing, cleanliness and to be vaccinated if eligible. These are the steps we know will help us to reach our goal of keeping our schools healthy and operating at their full capacity."
