HOB Athletics

Buccaneer Athletics kicked it into high gear this weekend with volleyball and football seeing intense competition in contests that went from early morning to late evening on Saturday.

Volleyball got things going at 9am and played all day in the Mariner tournament at the Basilica School. Both teams finished in second place in the county-wide tournament. The girls will have a chance to redeem themselves against the first-place finishers from the Basilica School as they visit them one-on-one at 5pm this evening.

Buc football rounded out the day with a thrilling come-from-behind victory over Westminster Christian Saturday night in front of a packed, and loud, stadium at Key West High School. Two long touchdown runs by Zentavious Carey in the second half allowed the home team to get away with a 21-14 win.

Fans filled the stands in support of the Buccaneers and enjoyed halftime performances by our cheerleaders and Buccanettes Dance Team. Thank you to everyone that came to support and cheer on our Bucs!

Next up for football is a 330pm start this Thursday at the high school against University School.
