Remembering Kevin

Dear HOB Parents and Families,

The Horace O'Bryant School staff and community were saddened to learn of the sudden loss of one of our students. The death of any young person is a tremendous loss which affects each of us differently. The HOB teachers, staff, and district care team have supported our students while meeting with students privately as needed.

To honor Kevin, we ask that students and staff wear purple colored HOB shirts tomorrow, Tuesday, October 19th. We will be creating a memorial in the media center's Animae section.

Our thoughts and prayers go out to Kevin's family.

HOB Band Concert

The band students in grades six through eight did a beautiful job in the beginning of the school year concerts!

Football

The Horace O'Bryant football team has established quite a history in just 5 years. Despite hurricanes, worldwide pandemics, coaching changes and all the other challenges any scholastic sport faces, the Buccaneers are 21-2 all time. At HOB, though, that's not enough. They seek to win championships.

On Thursday afternoon, the team took another step toward this year's goal. The 50-6 blowout win against a league rival was just a tune up for what is coming next week when the Bucs take on the team they defeated in the championship game in 2019. The Belen Wolverines are also undefeated at 5-0. The Bucs will have to earn this championship. That is just fine.

Volleyball

Volleyball season concluded with the Key West High School's Tournament on Saturday. Eighth Graders (pictured below) were recognized at our last home game.

Dear Parents/Guardians,

In our attempt to help interested families obtain the COVID-19 vaccine, a pamphlet/permission slip is being distributed to eligible students. This is completely optional and NOT required for school attendance. Please do not return this form as these vaccinations will not be offered in the school setting. For clarification, this paperwork was printed before the most recent emergency rule by the Surgeon General. Students are NOT required to quarantine, regardless of vaccination status, provided they have no symptoms. Reach out to your school nurse with any questions.

The City of Key West and the Florida Health Department in Monroe County are teaming up to host a Covid-19 vaccination event.

The health department will be administering shots on Saturday, October 23rd at the Douglass Gym, 111 Olivia St., from 10 a.m. until 6 p.m.

All three vaccines – the Pfizer, Moderna, and Johnson and Johnson will be available.

Vaccines are open to everyone, and no insurance card is necessary. The event is walk-in only, no appointments necessary.
