## Relay for Life

**What is it?** Relay for Life is an organization which helps raise money for the American Cancer Society. Throughout the school year students develop and participate in fundraisers to raise money for programs that aid cancer victims and their families. All of the fundraisers lead up to a end of season celebration full of fun-filled activities!

**When is it?** The main event will be announced at a later date. The main theme this year is “Relaypolooza”. ” Our team theme is “TURN UP THE MUSIC, TURN DOWN CANCER”

**Registration Fee:** Each student is responsible for a \$2.00 registration fee and an \$18.00 Relay t-shirt fee. We encourage parents who will be participating in the fundraisers, to also purchase a t-shirt. This purchase helps students and teachers recognize participating parents within our group. Please let us know if there are any problems. Parent and sibling t-shirts are \$18.00. Please turn in all money in an envelope with your child’s name and what the money is for written on it.

**Student Meetings:** Student Meetings are scheduled for every Tuesday afterschool at 3:45 in room 6-109. Some other after school meetings will be required in order to accomplish some of the fundraisers. Students will be advised ahead of time.

**Parent Meetings:** There will be occasional parent meetings throughout the year, as fundraising events get closer. You will be notified by email and through your child in advance of these meetings. They are usually very short – just for the purpose of finalizing activity details. In order for students to fully participate in Relay for Life, parents will be required to attend at least the first and final Relay for Life parent meetings.

**We need your help!** Parents are an important part of making fundraiser events successful. We need parent helpers for our fundraisers and approximately 15-20 parent chaperones for the main event. Please contact us at any time to find out how you can help!

**Thank you!**
