Addendum No. 1

The following is a list of items that should be included in the interviewee's presentation.

1. Consideration for design should be given to the land development regulations, flood zones and construction of the Gerald Adams Elementary replacement school.
 - References: The 2015 Florida Statutes Title XXVIII, Chapter 380. Areas of Critical State Concern. Item 380.05
 - References: Code of Ordinances City of Key West, Florida. City of Key West Planning and Zoning Department, Land Development Regulations - Division 13 – Public and Semipublic Services District. Building Heights.
 - References : FEMA Flood Maps
2. Consideration shall be given to the concept of the New School being constructed on the same site as the existing school. The existing school will need to remain in operation as the new school is being built, this will require a phased project.
