

Key West High School

Orientation & Registration

2021 - 2022

FRESHMEN VIRTUAL ORIENTATION

February 8th-12th – A Virtual Orientation will be available on KWHS's Website and Social Media for Incoming Freshmen to View.

VIRTUAL SCHOOL SHOWCASE

February 22nd - 26th – “Why Key West High?” will be available on KWHS's Website and Social Media.

The SHOWCASE is an opportunity for students *and* parents to view information about academic and extracurricular opportunities at KWHS. It is important to gather as much information about courses and pathways to make knowledgeable decisions. Students will register for courses with school counselors; core courses are based on grades/test scores/attendance and electives are primarily based on student requests. Requests are locked in as of March 19th and no changes will be made thereafter for school-wide scheduling purposes. Access the *2021-22 Curriculum Guide* on our school's website at www.KeysSchools.com/KWHS under the *Academics* tab.
