

Superintendents' Remarkable Readers Award (SRRA)

The purpose of the SRRA program is to encourage and commend students for reading independently.

Florida Standards also call for students to *Read and comprehend complex literary and informational texts independently and proficiently*. We are dedicated to providing time, space, and positive interactions with text. Independent reading fosters the love of reading and builds reading stamina.

- Exhibits an enthusiasm for reading
- Exhibits an enthusiasm for sharing books
- Uses books for a variety of purposes
- Reads independently on a voluntary basis
- Uses school and/or public libraries

Each Quarter, Media Specialists and Reading Coaches will remind teachers and students that nominations are open. **Nominations are due to the Media Specialist by April 1, 2020.**

SRRA GOLD

Students can use a Reader's Notebook throughout the school year to document their reading progress. The Reader's Notebook replaces the Reading Log that students submitted in previous school years. The Reader's Notebook is a more authentic response to reading. Students who are not already keeping a Reader's Notebook for a specific class/teacher still have the opportunity to participate in SRRA by keeping their own. Ask your school's Literacy Coach or Media Specialist for more information.
