

# Keys AHEC

## Health Centers

Keys AHEC Health Centers have partnered with the Monroe County School District for the past 11 years offering access to on-site School Based Primary Medical Care Services.

**All current full-time and part-time staff members** are eligible to utilize our Clinical Health Centers for general and basic health care needs. We always encourage patients to have a Primary Care Physician and/or Specialist to care for necessary individual needs.

### How it Works:

- To make an appointment, just call **305-743 7111 ext 210**.
- Keys AHEC also accepts walk-in visits.
  - Simply just go down to the Health Clinic site at your school on its scheduled day.
    - See our Days and Times as our schedule does rotate over 10 schools each week with 7 medical providers.
  - If the Provider is busy, they will give you a time to return that day or the next.
- Keys AHEC does require a Patient Registration and Consent Form.
  - These will be provided at the Clinic or can be sent electronically.
  - <https://keysahec.org/parents-paperwork>
- Clinic Hours run ½ hour prior to the start of school to ½ hour after school.

### What We Offer:

- Keys AHEC offers access to Primary Care Medical Services:
  - General Sick and Wellness Visits

### Things to Know:

- Keys AHEC will never require payment for services, but may bill your Health Insurance.
- There are no co-pays or required deductibles due to Keys AHEC.
- We only accept what is paid by the insurance company. No bill will be sent although you will receive an EOB (Explanation of Benefits) form in the mail by your company.
- Services outside of Keys AHEC that are referred, such as lab services/blood draws, Imaging, prescription fills or referrals to another physician will come with a fee from that provider.
- The Keys AHEC Health Centers have 7 Nurse Practitioners (APRNs) serving 10 Health Center Sites...see <https://keysahec.org/locations>
