

I am aware that consumer and motor vehicle reports may be obtained as part of my volunteering with the Monroe County School Board. The reports may be procured by the Monroe County School Board or its insurance company representative(s), and may include personal information obtained from state motor vehicle departments, my driving record, an assessment of my insurability for the insurance program, or other consumer reports.

By signing this letter, I hereby provide my authorization for Monroe County School Board or their insurance company representative(s) to procure such information and reports, as well as additional reports about me from time-to-time as deemed appropriate, to evaluate my insurability or for other permissible purposes.

I agree to provide a copy of my valid Florida Driver's License with this completed and signed letter.
