

Cologuard[®] Screening

Simple, In-Home Alternative to Colonoscopy

Florida Blue covers Cologuard[®], a non-invasive at-home colon cancer screening test for eligible members ages 50 and older.

Cologuard Details

- Non-invasive option you can do at home
- No preparation is required
- For individuals 50 and older
- It may be covered at little or no cost to you*
- Asymptomatic and average risk for colon cancer
- No family history of colon cancer
- Falls under the preventive screening guidelines
- Provides for a 3-year testing schedule

How it Works

- 1** Talk to your doctor about Cologuard and if it's an option for you. If it is, your doctor will write you a prescription for Cologuard.
- 2** Send your prescription to Cologuard—visit cologuardtest.com for details.
- 3** Once you receive the collection kit mailed to your home, you'll follow the instructions to return the sample to the lab with a prepaid, preaddressed box.
- 4** Your doctor will receive your results within 2 weeks.

Questions?

Talk to your doctor or call us at the number on the back of your member ID card.

*Benefits may vary. Check your benefits booklet for details.
