

## Better You Strides rewards you for doing activities that help improve your health!

When you complete programs in your Personal Health Journey, you have the chance to win a \$25 prepaid gift card. Each month, we'll draw up to 72 winners. The gift card can be used at many popular merchants.

### Here's how to qualify for monthly prize drawings:

1. When you complete an activity in your Journey with a badge icon, you earn an entry for the monthly prize drawing. Each month, we draw up to 72 winners who receive a \$25 prepaid gift card. Check the "Earn Rewards" section of your Better You Strides dashboard to see activities with a badge.
2. Record your progress for each activity. Completed activities will be automatically recorded in your Better You Strides Dashboard.
3. For every rewards activity with a badge that you complete, you'll get one entry for the monthly prize drawing. Better You Strides automatically submits your entries. You can earn up to eight entries a month. Entries earned in one month don't roll over to the next month.
