Safety and Security and COVID Updates- return to 5 days for 6-8, CDC travel reminder

Monroe County School District is asking people to avoid traveling over the upcoming Spring Break, which begins March 22nd.

Over Spring Break, if you or your child comes into contact with someone known to be infected with Covid-19, please observe the CDC-recommended quarantine before sending him or her back to school. Under no circumstances should you send a child back to school who has been exposed to the virus or who is showing any symptoms which could be a Covid infection.

We appreciate your cooperation. To read CDC spring break travel guidelines in detail, please click this link: [CDC Travel Reminder Website](#)

The survey was sent home via all social media on what the parent's choice for their student coming back.

50 parents have not returned or completed the survey.

We need this information to properly plan for the bus and the classroom.

Students can remain on A/B schedule

Once a decision has been made, the family has to stick with that decision

Schedule Update

Change in the middle school lunch logistics.

The back-to-school team found that the Gold Team would be the biggest challenge.

Making three individual lunches instead of two.

Testing Calendar

The dates are put on the KLS calendar for the community. If any parent wants a copy for the entire school, they can email Mr. Pais (darren.pais@keysschools.com)

The next meeting is on April 20th.
