Random Acts of Kindness week put on by Krista Hillman. Middle school got hot chocolate, K-5 got popcorn. Kids get stickers if caught doing something nice and prizes at the end of the day. Kids are really enjoying this.
No school Monday.
Tuesday is early release.
Celebrate literacy week happened since last meeting. It was a huge success.

Career Day went amazing. We had 28 local businesses participate. Another super successful week. Kids are starting the countdown to spring break

Principal Report

Maida Court

4 full weeks to spring break and 9 weeks after that. Starting to prep for testing at the end of the year. Kids and teachers all working really hard.

We always have something going on. Literacy week was great. Career Day was phenomenal. Each year all the events get better and better.

Healthy Living Initiative (HLI) District acquired 9 new social workers. We were all sharing one. Rebecca Brown will be our social worker. She has already been working with PKS. Slowly working on a transition from Emily to Rebecca. She will be the perfect fit for PKS.

We welcomed 20 new kids in January, but we lost 10-15 in December so we are still leveling out.

School Safety

Real drill on Monday with the busses not able to run due to accident. Went as smoothly as it could have. Thanks to both staff and parents. All kids gone 3:30-4:00 PM. Effected PKS, KLS, & CSHS.

Announcement about no busses running came from district. Staff was asking students to use their phones to call parents and let them know.
