8<sup>th</sup> Grade went to Coral Shores. All kids interacted very well.  
Middle school getting ready for end of year testing  
Academic Challenge – Mrs Russell too 6-8<sup>th</sup> graders to Marathon and got 2<sup>nd</sup> place

Monica Horsley

Specials night Wednesday April 19<sup>th</sup>

Testing coming up. Please look in this weeks' newsletter for UPDATED testing schedule. State changed some things last minute.

Parks Dunn represented PKS at the state STEM Fair. She won 1<sup>st</sup> place in Junior Division AND Best In Fair. She will be going to Nationals! We are very proud of her and everyone else that attended.

### **Principal Report**

We are in the home stretch! 8<sup>th</sup> grade went to the high school and everyone had a great time. Ocean Studies, TVM and PKS all went together. This is a student run activity.

Many field trips coming up and many classes going off campus.

### **School Safety**

Florida Department of Education is sending the Chancellor of Safety sometime this month. We have updated the panic door. Gives staff a 15 second lead. Drills every month. Last month was a passive drill. Great for kids to ask questions. Biggest Question from students: Will we ever have a metal detector? No plans for that, but we will get a definite answer from district to make sure they get answers.

We have a lot of construction workers in the area and most staff is gone after 4-4:30. We do have an open campus after school. Please make sure you reiterate the See Something, Say Something Policy if you or your students see anything.
