Teacher Report

Teachers feel super appreciated with teacher appreciation week going on.
3-8 testing going on. Great job parents getting kids ready.
Overall about 80% testing done for the month. Kids are doing awesome.
Students are super excited for the carnival.
Every grade level has some sort of field trip in the next 2 weeks.

8th Grade promotion is May 25th.

Writing test this year was a field test for the state. PKS got randomly chosen for this. Kids took test, but we will not receive the scores.

Principal Report

Carnival is all set.

Trying to keep kids focused the last few weeks.

School Safety

Just has a big state inspection from the Florida Department of Education. It was a surprise visit. We do not know how we did and we are not sure if/when we will get results. She did spend a lot of time with our SRO.
