Approval of Agenda

Motion to Approve by Sheena Jacobson

2nd by Debra Swensson

Approval of Previous Meeting Minutes

Meeting minutes from previous meeting will be approved at the March meeting

Student Report

Garrett Gomila

- Everything is running smooth like it should be
- Preparing for tests in March
- Everyone is enjoying the dress code free days
 - Middle school students can wear sweatpants, gym shorts or ripped jeans below the knee
 - The next dress code free days are 2/2, 2/16 and 3/1 on fridays
 - Students can pay \$5 of B- bucks and get a pass to wear no dress code attire.
 - If students follow the dress code rules everyday then they can participate on the no dress code days

- Mrs. Court and Mrs. Taylor has talked to all the middle school students about what is appropriate to wear on those Fridays. As of yet, no one has been stopped about their gym shorts, sweat pants or ripped jeans. Students are following the rules.

Teacher Report

Muriel Clarke

- Mid-year review data is available and teachers are looking at students scores
- Boost programs to raise scores, looking at students that are on the fence to raise their scores
- Strategies to help students so they will be ready in the spring

Principal Report

Monica Horsley

- Last basketball game was this week and we honored the 8th graders. Mr. Nelson honored the KLS 8th graders too and said even though right now you are Tornados and Panthers, next year you will all be Hurricanes and playing together.
- We have All County Band in February
- Field trips for 1st and 2nd grades next week
- Progress Reports on Tuesday
- Regional Stem fair on Feb 10th at Stanley Switlik School
- Career week activities coming up with Career day on Thurs Feb 15th
- Sweetheart Dance Feb 13th -more info will be in Newsletter
- PM3 reports are now available. Now can see scores from last year and mid year scores. Talking to teachers to see how students are doing and how to increase student achievement
- District Office has asked schools for a 1-pager of SIP goals. We have 3 goals:
 - Increase Reading Achievement
 - Setting High Attendance Expectations
 - Increase Expected Student Behavior
- We are back in the lead with attendance in the district. Feb attendance challenge starts 2/1.
- Literacy week was a huge success! We had about 100 parents and students attend Literacy night. We had a story walk, science on the sphere, arts and crafts and food craft stations
- The Vocabulary Parade was amazing! We had 100% participation in several classes. Middle school students said it was the most fun they had all year. Every student was able to come dressed as a word and the students really had fun with it. It is now going to be an annual activity and possibly allow parents to volunteer and help with the parade. Students surprised the teachers and staff with their creativity and participation. All in all was a huge success!!

SIP

Monica Horsley

- Discussed the 1 pager of SIP goals

School Safety

Officer Mercy Geuvara

- Everything going as planned
- Fire Drill was held today 2/1
- We need parents to not park in the Bus Loop. We are cracking down on parents pulling into and parking in the bus loop. We need to keep the Bus Loop lane clear for emergencies and for buses.
- We have buses that come at 1pm for VPK pick up and after school buses come on Mon and Thurs later in day and we need to keep the bus loop open
- We had an emergency at a basketball game and parents were parked in the Bus Loop and had to move their cars immediately. For after school activities, parents can not park in the bus loop.
- We need to keep it clear all throughout the day
