IMPORTANT NOTICE - Students registering as Home School, Private School, Charter School, or earning a High School Equivalency (HSE) diploma and not enrolled in a Monroe County School District Public High School or the MCS D Performance Based Exit Option Program at a public MCS D High School may NOT participate in any graduation ceremonies or other senior activities at those zoned high schools. Also, there is no diploma issued by the public school system in Florida for the completion of a home education program. A signed affidavit of completion (notarized letter) submitted by the student's parents attesting that the student has completed a home education program, pursuant to the requirements of s.1002.41, F.S. is the legal document of completion. As stated in s.1007 263(2)(a), F.S. it is equivalent to a high school diploma and is regularly accepted by state colleges and universities as proof of high school completion. This statement can be included on a student's academic transcript or parent-issued diploma. While not required, some students elect to culminate their home education program by taking the General Educational Development (GED) test. A student is issued a diploma from the Department of Education upon passage of the GED. The toll-free number for information pertaining to the GED is 1-800-237-5113.
