ITB 2023023 – AC Repairs and Replacements

INVITATION TO BID

NOTICE IS HEREBY GIVEN TO PROSPECTIVE PROPOSERS that on December 7, 2023 at 9:00 a.m. the School Board of Monroe County (the “School District” or “School Board”) will open sealed proposals for the following:

ITB 2023023 / AC Repairs and Replacements

Specifications and proposal documents may be requested from Demand Star by Onvia by calling 1-800-711-1712 or by going to the website www.demandstar.com . The public record documents are available on the district web site at www.KeysSchools.com or by contacting the Internal Services Department / Purchasing Division, 241 Trumbo Road, Key West, FL 33040.

Questions regarding the proposal should be directed by e-mail to Taylor Gandolfo – Buyer, at Taylor.Gandolfo@KeysSchools.com

From time to time, addenda may be issued to this solicitation. Any such addendum will be posted on www.demandstar.com. You should periodically check the website to download any addendum which may have been issued. The Addendum Acknowledgement must be submitted with the proposal.

Proposals must be submitted electronically to www.demandstar.com. Hard copy or email proposals will not be accepted. All proposals must be entered in DemandStar by the date/time listed in the bid timeline within. No waivers shall be allowed for proposals which have not been submitted by the deadline date.

The Monroe County School District reserves the right, at its sole discretion, to accept or reject any and all proposals and to waive informalities when it is in the best interest of the Board to do so.

All proposals must remain valid for a period of ninety (90) days or until the MCSB approves the contract. The School Board will automatically reject the response of any person or affiliate who appears on the convicted vendor list prepared by the Department of General Services, State of Florida, under Section 287.133(3) (d), F.S. (1997).

Recommendation to the District School Board of Monroe County will be based upon a proposal(s) that represent the best interest of the District and award of the contract will be deemed by the board to be in the best interest of Monroe County.

ITB 2023023 – AC Repairs and Replacements

SCOPE OF WORK

I.PURPOSE

- A. General – The Monroe County School District is seeking bids for the repair and replacement of air conditioning equipment at multiple sites. Contracts will be awarded on a per site basis and contractors may bid on any or all sites listed. Contractor will include all engineering, labor, and materials to perform one for one replacement of units listed as well as the complete removal of the old systems.
- B. **Pre-Bid Meeting: November 13, 2023.** Please sign in as a visitor at the front office of each site. Due to potential traffic delays times are approximate, but meetings at each site will not start earlier than the listed times. You may contact Jeff Barrow at 305-360-1424 the day of the meeting for updates. Please review the scope of work prior to the pre-bid meeting as to prepare any questions you may have.
1. 8:00 AM Key Largo School, 104801 Overseas HWY, Key Largo 33037
 2. 9:30 AM Coral Shores HS, 89901 Old Highway, Tavernier, 33070
 3. 11:30 AM Marathon HS, 350 Sombrero Beach Road, Marathon 33050
 4. 12:45 PM Sugarloaf School, 255 Crane Blvd, Upper Sugarloaf Key, 33042
 5. 1:15 PM Poinciana School, 1407 Kennedy Dr, Key West, 33040
 6. 2:00 PM Key West High School, 2100 Flagler Ave, Key West, FL 33040
 7. 2:45 PM Horace O' Bryant School, 1105 Leon St, Key West, FL 33040
- C. Required Timeline for Completion
1. **Start Date:** Work is to commence as soon as possible during the summer break which begins for students on June 1, 2024. Contractor is responsible for coordinating with the schools to determine the earliest date to start without interfering (or with minimal impact to) normal operation.
 2. **Required Completion Date:** (non-negotiable)
 - a. All coil replacement work must be complete and operational before 8/1/2024 unless specifically noted otherwise in your bid response. The latest acceptable date is 1/2/2025.
 - b. All Condensing Unit replacement work must be complete and operational before 1/2/2025.
 - c. All AHU replacement work must be complete and operational before 1/2/2025 unless specifically noted otherwise in your bid response. The latest acceptable date is 8/1/2025.

ITB 2023023 – AC Repairs and Replacements

II.ELIGIBILITY TO BID

Bidders who do not meet the following qualifications will not be considered.

1. Licenses: Proposers must be authorized to do business in the State of Florida and must possess all required registration(s), certification(s) and license(s) to perform the work outlined within in accordance with all applicable Florida Statutes, ordinances, regulations, and/or Board Policies.
2. Insurance – Proposers must provide evidence of insurance coverages in the amounts specified under the section titled INSURANCE below, as well as possess the ability to have MCSD named as an additional insured, if awarded.
3. Debarment: Pursuant to School Board Policy, Contractor Debarment Procedures, debarred contractors are excluded from conducting business with the Board as agents, representatives, partners and associates of other contractors, subcontractors or individual sureties.
4. Terminated Contracts with MCSD: Any firm or individual whose contract/agreement has been terminated by the Board within three (3) years of the RFQ Response due date, with cause, will not be considered under this bid.
5. Convictions: Pursuant to Chapter 287.133(2)(a) of the Florida Statutes, A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to the public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.
6. BACKGROUND CHECKS/FINGERPRINTING: In accordance with the Jessica Lunsford Act, all contractors (including subcontractors and employees of subcontractors) who are permitted access on school grounds when students are present, who have direct contact with students, or who have access to or control of school funds, shall be subject to fingerprinting and background screening at least once every five (5) years. To the extent Contractor provides such services to School Board, Contractor agrees that its employees and subcontractors have been subjected to background screening by a public school district designee within the past five (5) years and have not been convicted of any disqualifying offense set forth by Florida Statute § 435.04, or will otherwise obtain such screening through School Board prior to commencement of work. Contractor agrees to bear any and all costs associated with acquiring any background screening that may be required pursuant to this section.

Exceptions to background screening requirements, as stated in Chapter 1012, Florida Statutes, shall be applicable. Such exceptions include contractors who will remain in the direct line of sight of a Monroe County School District employee at all times when they are on school grounds or have direct contact with a student; contractors who are required by law to undergo a level 2 background screening for licensure, certification or employment; or contractors who remain separated from students by a chain-link fence of at least 6 feet in height.

ITB 2023023 – AC Repairs and Replacements

Further, Contractor agrees to require all affected employees and subcontractors to sign a statement, as a condition of employment with Contractor in relation to performance under this Contract, that the employee and/or sub-contractor will notify Contractor/Employer of any arrest or conviction of any offense enumerated in Florida Statute § 435.04 within forty-eight (48) hours of their occurrence. Contractor further agrees to notify MCSB immediately upon becoming aware that one of its employees or its sub-contractor's employees, who was previously certified as completing the background check, and meeting the statutory standards, is subsequently arrested or convicted of any disqualifying offense. Failure by Contractor to notify MCSB of such arrest or conviction within forty-eight (48) hours of being put on notice by the employee/sub-contractor and within 5 days of its occurrence shall constitute grounds for immediate termination of this contract by MCSB.

III. GENERAL REQUIREMENTS

A. All work shall be performed in accordance with:

1. The most current edition of the Florida Building Code
2. The State Requirements for Educational Facilities (SREF 2014)
3. Americans with Disabilities Act.

B. Equipment – The contractor is to provide all materials and labor including refrigerant piping, LLSV's, TXV's, and refrigerant specialties as needed to adapt the old into the new system. The contractor will coordinate receiving the units or coils at the job site, unloading it, switching it with the old unit, and commissioning the new unit.

1. Micro Channel style coils prohibited unless specifically noted. Any micro channel coil provided shall carry a 10 year unconditional warranty against failure outside of vandalism or named storm related damage.
2. New condensing units and blower assemblies will be Carrier, Daikin, or prior approved equal added by addendum. Condensing units shall be equal to the Carrier AU and Carrier Gemini AP Series. Units are to be one for one replacements of the existing unit unless otherwise noted in this specification. These will be purchased by this contractor including shipping to the job site. The contractor will be responsible for receiving, unloading, and storing this equipment. Delivery should be scheduled June 2024 or earlier. This contractor will receive on the jobsite and install into a complete operational system. This contractor will provide all new piping, refrigerant specialties, wire, conduit, and other items needed to make a complete operational system. Existing may be reused if cleaned and appropriate for the new application.
 - a. Contractor to confirm unit power supply prior to ordering. Power requirements of new units must be compatible with the existing service in every way.
 - b. Provide a 5 year ALL parts warranty. This shall cover all parts failures with exception of intentional damage by vandalism or damage caused by a named storm.
 - c. Provide a 10 year micro channel warranty. This shall cover all micro channel coil failures with exception of intentional damage by vandalism or damage caused by a named storm.

ITB 2023023 – AC Repairs and Replacements

- d. Compressors shall be scroll style unless prior approved by addendum prior to bid day.
- e. Units shall be selected with an EER greater than 10.
- f. Refrigerant shall be R-410a.
- g. All condenser coils shall have a factory applied coating resistant to a salt air environment. Coil coating shall be proven in similar salt exposure applications for minimum 3,000 hours salt spray test in accordance with ASTM B-117. Coil coating company shall prove experience in salt resistant coatings for a period of over 10 years. All required coatings shall be installed in a controlled factory environment that fully covers coil fins, tubes, and casing. Pre-coated fins without tube and casing coverage are not acceptable. All units must include an unconditional written 5 year warranty on all coil coatings provided by the coating vendor. Field application coatings shall be limited to additional coverage of equipment, touch up, and warranty work. Please include documentation of your coil coating in your bid.
- h. Provide the same coating for the condensing unit housing and frame. Submit proof of coating process.
- i. Condensing units shall come with a factory disconnect unless existing disconnect exists and is in good serviceable condition for reuse.
- j. Units shall have factory installed and set, auto reset low pressure safety and high head pressure safety.
- k. Units shall have factory set compressor short cycle timers, low voltage, and phase protection safeties.
- l. Provide appropriate vibration isolation devices recommended by the equipment manufacturer for new condensing unit.
- m. For units with more than two steps of capacity the condensing unit shall come with factory supply air and return air sensors for staging. Condensing unit internal controls shall stage to maintain a return air temperature or supply air temperature depending on the application.
- n. On 100% outside air units provide the units with low ambient temperature controls to allow condensing unit operation with outdoor air temperatures down to 60 degrees F.
- o. All equipment shall be identified with phenolic tags using a contrasting background and white lettering. Letters shall be ~1" high and shall follow the naming in this specification. Tags shall be securely affixed to the unit with screws or pop rivets, and epoxy.
- p. For units greater than 10 tons shall have removable core dryers with shut off valves and access ports.

ITB 2023023 – AC Repairs and Replacements

3. Air handling units shall be provided by the contractor. Match for the like replacement of the existing unless noted otherwise herein. Unit manufacturers shall be Carrier, Daikin, or prior approved equal added by addendum. AHU's shall match the existing or new condensing unit. All air handling units shall be equal to carrier Gemini 40, AERO 39, or engineer approved direct replacement as appropriate for the replacement application. Provide with the following features.
 - a. Double wall insulated construction.
 - b. Galvanized or other corrosion resistant construction.
 - c. Fin/tube evaporator coil with 5 year warranty or micro channel style coil with 10 year warranty. This shall cover all coil failures with exception of intentional damage by vandalism or damage caused by a named storm.
 - d. 2" filter rack section.
 - e. Doors with L handle locks for access to blower, coil, and filters for maintenance.
 - f. Stainless steel or plastic non corrosive, IAQ type drain pan. Must drain completely under all conditions.
 - g. Stainless steel or epoxy coated blower wheel.
 - h. Permanently lubricated motor bearings.
 - i. Interior exposed insulation shall be sealed in a manner to allow cleaning and prevent mold growth.
 - j. Provide thermostatic expansion valves to match with Condensing unit to make a complete operational system.
 - k. 24 VAC controls
 - l. Single point power connection.
 - m. Provide units with NO heat.
 - n. On units with any outside air, the unit evaporator coils and blower assembly must be coated to meet ASTM B117 for salt spray.
4. Roof Top Air Conditioning Units (RTU)
 - a. This contractor shall be provide, deliver, handle, and install the new Roof Top Units and appropriate roof curbs to adapt to the existing duct work.

ITB 2023023 – AC Repairs and Replacements

- b. This contractor shall do all work required to tie new curbs into the existing roofing system. Curb connection to the building and then to the RTU must meet current wind speed rating requirement.
 - i. Power and controls shall be routed through the RTU curb. These must be run inside the curb and routed so as to not create holes for water to penetrate.
- c. Units shall be CaptiveAire Paragon series RTU's or prior approved equal added by addendum.
- d. Evaporator fans shall be within 10% of existing scheduled air flows.
- e. Each RTU shall be nominally the same tonnage as the existing.
- f. Provide 2" filter racks.
- g. Drain pan shall be stainless steel insulated drain pan sloped to drain all water. Must meet ASHRAE 62.1 standards. Provide with float switch to disable the compressors when high level of condensate is detected.
- h. Coils shall be copper tube with aluminum fins. Micro Channel style coils prohibited.
- i. Provide units with NO heat.
- j. Provide with factory outdoor coil hail guard.
- k. Access doors shall be hinged and removable.
- l. Provide fully insulated control cabinet to reduce the chance of condensation on control devices.
- m. Unit shall incorporate double wall galvanized steel construction using corrosion resistant, heavy gauge, G-90 galvanized steel.
- n. Units must be able to take dry contact commands from the existing control system to start and stop the evaporator fan and each stage of cooling.
- o. If units come with integrated digital controls, provide the following:
 - i. Existing dry contact controls are to be used if possible. If not, include control adaptations needed for a fully operational system.
 - ii. Provide pricing to have RTU Controls mapped into the existing School Building Automation system.

ITB 2023023 – AC Repairs and Replacements

- iii. Provide two human/machine interface devices for communicating with the unit in the field for trouble shooting and operation.
 - p. Provide 5 year compressor and coil replacement warranty.
 - q. The entire unit and all coils shall have seacoast coating as specified in this document.
 - r. Units shall have single point power connection with factory disconnect and 120VAC convenience outlet receptacle.
5. Condenser coils shall be provided by the contractor. New coils shall be the same manufacturer as the unit they are on if possible. Coils shall be as follows:
- a. ALL coils shall be replaced with tube/fin coils including existing Micro channel coils.
 - b. Copper tube with aluminum fin. Material thickness and quality must match factory coil.
 - c. Coil must be an exact drop in replacement.
 - d. Factory dipped E-coat coating for seacoast applications. Must meet salt air coating requirements as specified.
6. Ductwork shall match existing in all aspects including but not limited to finish, dimension, gauge, and insulation. It shall be one for one replacement. Outside air ductwork shall be internally coated with epoxy based paint specifically designed to reduce corrosion.
7. All coils and exterior unit frames and housings shall have a factory applied coating resistant to a salt air environment. Coil coatings shall be included on evaporator coils for outside air units or units with an outside air damper. Coil coating shall be proven in similar salt exposure applications for minimum 3,000 hours salt spray test in accordance with ASTM B-117. Coil coating company shall prove experience in salt resistant coatings for a period of over 10 years. Coating vendor shall provide an unconditional written 5 year warranty on all coil coatings. Coating shall be performed in a controlled factory environment that fully covers coil fins, tubes, and casing. Pre-coated fins without tube and casing coverage are not acceptable. Field application coatings shall be limited to additional coverage of equipment, touch up, and warranty work. Please include documentation of your coil coating in your bid.
8. All equipment shall have phase protection monitoring to shut down the unit on phase lose, low voltage, or power imbalance.
9. All materials used outside need to be inherently resistant to salt water corrosion. All fasteners and hardware used outside shall be stainless steel or hot dipped galvanized.

ITB 2023023 – AC Repairs and Replacements

C. Scope of Work by Site:

1. Key Largo School

- a. Replace Roof Top Units (RTU) and curbs for the following Carrier Roof Top Units. Equipment shall be CaptiveAir Paragon series or prior approved equal added by addendum.
 - i. RTU-5-1, Carrier Model number 50TC-D16A2A6A0A0A0, Serial number 3913P03321
 - ii. RTU-5-2, Carrier Model number 50TC-D16A2A6A0A0A0, Serial number 4113P03610
 - iii. RTU-5-3, Carrier Model number 50TC-D16A2A6A0A0A0, Serial number 3913P03392
 - iv. RTU-6-1, Carrier Model number 50TC-D16A2A6A0A0A0, Serial number 3913P03391
 - v. RTU-6-2, Carrier Model number 50TC-D16A2A6A0A0A0, Serial number 3812G40279
 - vi. RTU-6-3, Carrier Model number 50TC-D16A2A6A0A0A0, Serial number 3812G40277
 - vii. On RTU-6-1 through RTU-6-3 provide a two position damper kit the same as the existing. Damper is to open only when the unit is on AND stage 1 compressor is calling.

2. Coral Shores High School

- a. Provide replace condensing unit for Carrier Condensing unit 2911. Model 38AUZA14A0A6A0A0A0, Serial number 1712C93203. This is equipment only to be delivered to the jobsite and stored for future installation. For this unit, micro channel style coil is not allowed. The underside of this unit shall be coated as specified herein, since it shall be installed on a stand on the roof.

3. Marathon High School

- a. Replace condensing units for the following Carrier Condensing units
 - i. CU 7.1.1, Carrier Model number 38ARD016, Serial number not legible.
 - ii. CU 7.2.1, Carrier Model number 38ARD016, Serial number 4906G30067
 - iii. CU 7.3.1, Carrier Model number 38ARD024, Serial number 1207G50026
 - iv. Replace these units in their existing location. Lines shall be thoroughly cleaned in order to move to the new refrigerant. All LLSVs and TXVs shall be replaced as needed with high pressure replacements compatible with the new refrigerant.

ITB 2023023 – AC Repairs and Replacements

- b. Replacement air handling unit for the following: AHU 7.2.2, AAON Model number V2-D1-3-56-000:F000D0A0AX, Serial Number 200705-CBCD09000. Must match the condensing unit to be provided in previous section. Provide unit with NO heat.

4. Sugarloaf School

- a. Air Handling Units (AHU) 15 two dampers, 31, 32, and 33; Replace automatic outside air dampers and add duct access doors to allow dampers to be serviced. Dampers shall be Ruskin CD50 and shall match the existing. Existing control actuators may be reused if confirmed to be operational. Sequence of operation shall match existing sequence.
- b. AHUs 15 and 24; Replace evaporator fan blower assembly that is provided by the district.

5. Poinciana School

- a. Replace condensing unit coils on the following Carrier condensing units:
 - i. CU M-1 Carrier model number 38AUDC25A0C6A0A0C0, Serial number 1817P40756
 - ii. CU M-3 Carrier model number 38AUDC25A0C6A0A0C0, Serial number 1015P47502
 - iii. CU M-4 Carrier model number 38AUDC16A0C6A0A0C0, Serial number 1717P40651

6. Horace O'Bryant School

- a. Replace condensing unit for the following condensing units:
 - i. CU 301A McQuay model number RCS07F090D, Serial number 7754F131102701
 - ii. CU 501 McQuay model number RCS07F090D, Serial number 7754F181202711
 - iii. CU 502 McQuay model number RCS06F07BD, Serial number 7748F251202712
- b. Replace condensing unit coils in the following McQuay condensing unit
 - i. CU 401B McQuay model number RCS12F150D, Serial number 7920F141107178
- c. Replace automatic dampers on the following units. Air Handling Units (AHU) 61, ER301 two dampers, ER800 main OA damper; Replace automatic outside air dampers and add duct access doors to allow dampers to be serviced. Dampers shall be Ruskin CD50 and shall match the existing. Existing control actuators may be reused if confirmed to be operational. Sequence of operation shall match existing sequence.
- d. Replace the following Trane Air Handling Units (AHU)

ITB 2023023 – AC Repairs and Replacements

- i. AHU 1 Trane, model number TWE042C14FB1, serial number N092PW51V
- ii. AHU 2 Trane, model number TWE048C140F4, serial number M4612P61V
- iii. AHU 3 Trane, model number TWE042C14FB1, serial number N092PWR1V

7. Key West High School

- a. Replace automatic outside air dampers on Air Handling Units (AHU) AHU 4-803, 4-806, and 5-801; Replace automatic outside air dampers and associated ductwork as field marked. Add duct access doors to allow dampers to be serviced. Dampers shall be Ruskin CD50 and shall match the existing. Existing control actuators may be reused if confirmed to be operational. Sequence of operation shall match existing sequence.

D. Demolition – The contractor is responsible for the removal of the old units and associated debris from the site. Garbage services are suspended for the summer so contractor must make provisions for their own trash.

- 1. Old units must be left on line during school operation. Outages must be coordinated with the school office and minimized in duration.
- 2. District staff will assist in confirming electrical lock out/tag out prior to work commencing. Carefully disconnect existing power and control wiring. Tag for use with new unit. Wiring that is damaged in demolition shall be replaced by this contractor at no additional cost to the owner.
- 3. All abandoned pipe, conduit, refrigerant lines, and other penetrations shall be cut back to inside of the building envelope. Holes in concrete shall be sealed with non-shrink grout equal to Embeco. Grout must be nonmetallic. Abandoned pipe inside the mechanical room shall be removed. All walls shall be patched per code requirements. All patching shall be touched up with paint of the correct color.
- 4. Abandoned pipe and conduit in drop ceiling spaces may be removed by the contractor or left in place. If left in place the runs should be marked as abandoned.

E. Execution of Work / Standards

- 1. All work schedules must be coordinated through the school to prevent interruption of school activities.
- 2. The contractor shall repair any damage or required demolition that occurs during the execution of this contract with no additional costs to the owner.
- 3. All materials used outside need to be inherently resistant to salt water corrosion. All fasteners and hardware used outside shall be stainless steel or hot dipped galvanized.

ITB 2023023 – AC Repairs and Replacements

4. All equipment shall be identified with phenolic tags using a contrasting background and white lettering. Letters shall be ~1" high and shall follow the naming in this specification. Tags shall be securely affixed to the unit with screws or pop rivets, and epoxy.
5. Condensing unit replacement details:
 - a. The new replacement unit design shall be a similar replacement to the old unit. This contractor is responsible for all items required to make a complete operating system.
 - b. Each new replacement unit shall be nominally the same tonnage as the existing split system. Each new unit shall have similar numbers of steps of capacity.
 - c. This contractor shall coordinate receiving the units at the job site and is responsible for all handling after delivery.
 - d. New units shall be installed in strict accordance to the unit manufacturer's written instructions.
 - e. Dry contacts for call for cooling exist in the existing control system. These shall be reused where possible. On larger condensing units provide control sensors for the condensing unit to control itself. This contractor shall install and commission those devices. Reuse existing fire shutdown relay. District staff will assist the contractor in reusing the existing controls.
 - f. Provide all material and labor including new expansion valves or TXV's needed to switch the units from R-22 to R-410a if applicable. Lines and coils are to be thoroughly flushed with an appropriate solvent to remove all old refrigerant and oil.
 - g. Provide all new refrigerant lines and insulation needed for relocating the condensing units to new locations. Exterior refrigerant lines shall be insulated and metal clad.
 - h. Refrigerant lines shall be fully supported on uni-strut style racks. Refrigerant lines shall be held in place by Cush a Clamp style pipe clamps to protect.
 - i. Reconnect existing power and control wiring to the new units. Controls may have to be modified to allow the unit to control its own leaving air temperature. Existing disconnects may be reused if they are in good operable order.
 - j. The district shall be given the opportunity to recover and reuse any part of the old units prior to demolition. This includes the refrigerant. If the owner chooses not to salvage the contractor shall be responsible for proper disposal. All new refrigerant line work shall be done in a neat workmanship like manner parallel to the lines of the building.
 - k. All work shall be securely supported. Suction lines shall be insulated. Mini Splits shall have suction and liquid lines insulated.

ITB 2023023 – AC Repairs and Replacements

- l. Exposed lines running in the vertical shall be enclosed in aluminum or SS housing. These exterior runs are to be minimized and shall enter the building as close as possible to achieve access to drop ceiling space or mechanical room. Chase construction must be substantial enough to resist vandalism. Minimum thickness for aluminum shall be 1/8".
 - m. Provide factory start up on all units greater than 50 tons.
 - n. Complete factory start up sheets on all new units and units receiving coil replacements. Submit completed sheets to District Maintenance Manager.
- 6. Condenser Coil Replacements - these components are to be installed in a neat and workmanship type manner. Since replacement components are OEM drop in replacements a like new installation is expected. Field adaptations may not be accepted and must be cleared by the Director of Maintenance in writing. Systems shall be pressure tested and evacuated under the vacuum prior to charging with refrigerant. This contractor shall perform all work needed for these units to be returned to normal operation after new components are installed.
- 7. Any refrigerant specialty not compatible with the new refrigerant shall be replaced with an appropriate replacement. At a minimum the LLSV's, dryer cores, TXV's, accumulators, and sight glasses shall be changed out on each unit. Dryers shall be replicable core type.
- 8. All new refrigerant lines and insulation installed in this contract shall be done as follows.
 - a. Exterior refrigerant lines shall be insulated and metal clad.
 - b. Refrigerant lines shall be fully supported on uni-strut style racks. Refrigerant lines shall be held in place by Cush a Clamp style pipe clamps with foam insert between the pipe and the clamp to protect the pipe.
- 9. Care must be taken when drilling through the Tilt Wall panels. To prevent large blow outs a pilot hole must be drilled first. The larger hole then needs to be drilled from each side meeting in the middle. All holes must be sealed and approved by the District Building Official.
- 10. Lifts must take place with a secured work area clear of people. The secure area shall be a circle with a radius of the crane's height. All buildings in the secured area are to be empty of all people during the lift.
- 11. The contractor is responsible for all new refrigerant piping, electrical service, insulation and any other work required to relocate the condensing units to the new location

ITB 2023023 – AC Repairs and Replacements

VI. INSURANCE / BONDING / LIQUIDATED DAMAGES

- A. Insurance Requirements – When selected the contractor will be required to provide the following insurance documentation before a purchase order can be made or work can begin. Subcontractors shall provide the same insurance documentation.
1. Comprehensive General Liability - with minimum occurrence limits of \$1,000,000 and General Aggregate of \$2,000,000. The liability policy will need to include an Additional Insured endorsement naming the Monroe County District School Board.
 2. Commercial Auto Coverage - with minimum combined single limit of \$1,000,000.
 3. Workers Compensation - Statutory limits.
 4. Subcontractors, if needed, shall provide the same insurance documents to the district prior to beginning work.
- B. Bonding – Bids on individual sites over \$100,000 must include a 100% performance bond in the price. This bond is to be renewed, as needed, through the life of the project. Your lump sum pricing must include bonding costs (if applicable).
1. If one contractor is awarded multiple sites and the contract total exceeds \$100,000 a 100% performance bond for the combined projects is required regardless of the price of individual sites. Under this condition, the district will pay for the additional cost of the additional bonding for the site/s under \$100,000 up to 3% of the total price for that site.
- C. Liquidated Damages – It is agreed that the Contractor shall pay to the Monroe County School District, not as a penalty but as liquidated damages, \$250 per calendar day for each day elapsed in excess of an agreed upon Required Completion date.

VII. AWARD – This is an ITB and recommendation of award will go to the lowest priced qualified bidder, on a site by site basis. A committee will review bids to determine if they are respondent, complete, and from a qualified bidder. Bids deemed respondent (as outlined in A below) will be ranked by price from the submitted price sheet and submitted to the school board for review and award.

- A. Qualified Bidder - Only qualified bids will be considered for ranking. Provide documentation with your bid package on each of the following items to be considered for qualification. Bids that do not provide satisfactory evidence of the required qualifications will not be evaluated.

Local Preference

A. Definition:

Except where otherwise prevented by statute, code, administrative ruling, law, or funding source restrictions, including anything that may be related to disaster recovery for FEMA reimbursement compliance, the District may give preference in the procurement of goods or services to a vendor who meets all of the requirements listed herein:

B. Application of Local Preference:

1. Informal Quote/Informal Bid (under competitive threshold amount): When the District solicits informal quotes, bids, proposals or a reply to purchase goods or service, if the lowest responsible and responsive quote, bid, proposal, or reply is from a non-local bidder, (low bid) and there are vendors that have been given local preference designation by meeting all of the criteria outlined herein, you would take the lowest price local preference bid (lowest local bidder) and, if that price is within 5% of the non-local bid price, the local preference low bid would be given the opportunity to submit an offer in writing to match the non-local low bid price within 3 business days of the date of notice. If the lowest local bidder submits a bid that matches the low bid within the three business days, then the award shall be made to the lowest local bidder. If the lowest local bidder declines or is unable to match the low bid price then the award shall stand with the non-local low bid and be awarded as such.

2. Competitive solicitations (ITB): When the District solicits competitive bids in order to purchase goods or service, if the lowest responsible and responsive bid is from a non-local bidder, (low bid) and there are vendors that have been given local preference designation by meeting all of the criteria outlined herein, you would take the lowest price local preference bid (lowest local bidder) and, if that price is within 5% of the non-local bid price, the local preference low bid would be given the opportunity to submit an offer in writing to match the non-local low bid price within 3 business days of the date of notice. If the lowest local bidder submits a bid that matches the low bid within the three business days, then the award shall be made to the lowest local bidder. If the lowest local bidder declines or is unable to match the low bid price then the award shall stand with the non-local low bid and the notice of recommendation to award would be issued as such.

3. Competitive solicitations (RFP): In a request for proposal various factors are used to evaluate the responses from vendors and are assigned points based off a matrix that is included in the original bid document. In this instance, a local preference factor would be included in that matrix with a point value of 5. If there are vendors that have been given local preference designation by meeting all of the criteria outlined herein, those vendors would receive the 5 points for the local preference factor, all other vendors would receive a zero. Once the final rankings are complete the results stand as ranked and the notice of recommendation to award would be issued as such.

C. Criteria for Local Preference Designation

Boundaries - Bids are procured based on the geographic areas needed within the district. Application boundaries will be within 25 miles of any one of the district locations in that geographic location. Bids are procured by either specific City whereas boundaries will apply to that city, Regions (ie: Lower Keys (sites within Key West to Sugarloaf Key), Middle Keys (Marathon area sites) or Upper Keys (first site north of Marathon city limits extending to the northernmost Key Largo school site), or District Wide (encompassing district facilities from Key West to Key Largo).

In order to qualify for local preference, the bidder would be required to meet all of the following criteria and submit required documentation in each bid package for which they wish to have it applied. Any bidder who fails to submit sufficient documentation with their bid or proposal, shall not be granted local preference consideration for the purposes of that specific award.

- Vendor must fill out a Local Preference Affidavit and submit with bid solicitation for which preference is being applied **and**
- Principal address registered with Department of State as operating out of an office within 25 miles of boundaries of the location for which goods/services are being solicited, or if the job pertains to the entire district, then any

ITB 2023023 – AC Repairs and Replacements

one of the cities located within Monroe County, as evident by State Business License (COPY MUST BE SUBMITTED) **and**

- Business is listed with the chief licensing official in Monroe County as having a business tax receipt within 25 miles of boundaries of the location for which services are being solicited for at least one year prior to solicitation; (COPY MUST BE SUBMITTED) **and**
- Affirm that at least 50% of workforce live in Monroe County (via local Preference affidavit); **and**
- At least one member (director or principal) of the entity shall reside within Monroe County (Copy of DL or FL ID Card Must be Submitted).

NOTES:

1. Joint Ventures can qualify if at least one of the two entities meets the test set forth above and the combined local workforce of the joint venture is at least 50% local.

2. You cannot use a PO Box to prove address verifications above.

3. Preference is calculated based on the total bid or quote price, including any alternate or optional services or products in the bid or quote selected.

4. Vendors found to have falsified documentation with regard to local preference certification will be subject to suspension up to/including debarment.

D. Exceptions

1. Application of local preference in no way prohibits the right of the agency to compare the quality of goods/materials proposed, type of service, overall proposal, qualifications of those submitting bids/proposals.

2. Further, local preference in no way prohibits the right of the District to apply other rankings for other geographic requirements (response time, knowledge of SREF, knowledge of city/county building requirements/codes, etc. District staff and bid committee members are to evaluate the bid, quote, proposal or response and select based on the best value/best interest of the agency with options provided in proposals, etc.

3. The Board reserves the right to withhold application of local preference if in the best interests of the District or where the application of preference would conflict with a statute, administrative rule, or the terms of any grant funding of the purchase or contract.

C. SUBMISSION REQUIREMENTS

Proposals must be submitted electronically to www.demandstar.com. Hard copy or email proposals will not be accepted.

1. DemandStar requires that all documents be downloaded, completed, saved and reuploaded to submit your proposal. DemandStar does not support online document completion.
2. The Vendor Contact Information page on the DemandStar site has a required field "BID AMOUNT". The District does not require this field to be completed, but in order to complete the process DemandStar requires input. It is suggested that you input zero. All the District requirements should be included in number one above.
3. It is recommended that you incorporate your response into one document or as few separate uploads as possible when submitting your proposal to DemandStar.
4. The District will only consider proposals that have been uploaded and submitted through DemandStar prior to the bid closing date and time. Allow sufficient time to complete your proposal.
5. **IMPORTANT INFORMATION:** When finished uploading all required documents, at the end of the document, you must submit your response. After clicking "Submit Response" the following process will begin:
 - a. DemandStar will verify that your response is complete as entered.
 - b. You will see a confirmation page with your confirmation number and date/time stamp of your upload.
 - c. You will receive a confirmation e-mail indicating a successful response submittal.
 - d. If you do not receive any of the above, please call DemandStar Supplier Services at (800)711-1712.
6. Be advised that registering with DemandStar is a FREE service if registering to receive Monroe County School District solicitations.

The proposal must be signed by a person(s) legally authorized to conduct business in the name of the Proposer. The name, office address, e-mail address and office telephone number of the representative designed to serve as a liaison with the School Board must be included. Proposals received, which are at variance with these instructions, may not be given further consideration.

The proposal package must be submitted no later than date/time outlined in the bid calendar.

D. WRITTEN EVALUATION / ORAL INTERVIEW OR PRESENTATION EVALUATION

Responses will be distributed to a selection committee for review and evaluation. The evaluation criteria will be listed in the scope of work of this document. The committee will then discuss and scores will be tallied. After an evaluation of the proposals, the selection committee may select a vendor or conduct interviews or request presentations from a short list of vendors.

In accordance with Florida Statute 286.0113, the oral interviews, presentations, and evaluation committee meetings will be exempt from the public meeting requirement (F.S. 286.011) in cases where the following activities occur:

1. Any portion of a meeting at which a negotiation with a vendor is conducted pursuant to a competitive solicitation, at which a vendor makes an oral presentation as part of a competitive solicitation, or at which a vendor answers questions as part of a competitive solicitation is exempt from s.286.011 and s. 24(b), Art. I of the State Constitution.

Any portion of a team meeting at which negotiation strategies are discussed is exempt from s. 286.011 and s. 24(b), Art. I of the State Constitution.

2. A complete recording shall be made of any portion of an exempt meeting. No portion of the exempt meeting may be held off the record.

ITB 2023023 – AC Repairs and Replacements

The recording of, and any records presented at, the exempt meeting are exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution until such time as the agency provides notice of an intended decision or until 30 days after opening the bids or proposals, whichever occurs earlier.

E. CONDITIONS AND LIMITATIONS

- a) The School Board reserves the right to reject any and all proposals, to waive any irregularities or informality, and to accept or reject any items or combination of items.
- b) The School Board may consider all proposals and reserves the right to award the contract(s) in the best interest of the School Board.
- c) A proposal may not be withdrawn before the expiration of ninety (90) days after the proposal due date.
- d) The School Board will not reimburse proposers for any costs associated with the preparation and submittal of any proposal, or for any travel and per diem costs incurred.
- e) Proposer acknowledges that all information contained within their proposal is part of the public domain as defined by the State of Florida Public Records Law.
- f) Proposers, their agents and/or associates shall refrain from contacting or soliciting any official of the Monroe County School District or School Board member regarding this proposal during the selection process. Failure to comply with this provision may result in disqualification of the proposer.
- g) The proposal and the related responses of the selected proposer will by reference become part of the formal agreement between the selected proposer and the School Board.
- h) The School Board and the selected proposer(s) will negotiate a contract or contracts as to terms and conditions. In the event an agreement cannot be reached with the selected proposer in a timely manner, the School Board reserves the right to select an alternative proposer.
- i) Cancellation: In the event the proposer violates any of the provisions of this proposal, the Superintendent shall give written notice to the proposer stating the deficiencies and unless deficiencies are corrected within five (5) days, recommendations will be made to the School Board for immediate cancellation. The School Board reserves the right to terminate any contract resulting from this proposal at any time for any reasons, upon giving thirty (30) days prior written notice to the other party.
- j) Non-Discrimination: There shall be no discrimination as to race, sex, color creed, or national origin in operations conducted under this contract.
- k) Selling, Transferring or Assigning Contract: No contract awarded under these terms, conditions and specification shall be sold, transferred or assigned. In the event that the Proposer to which the contract is awarded merges with another entity, the School Board has the option to remain with the new institution or cancel the contract by giving 120 days advance written notice to the institution.

F. INSURANCE REQUIREMENTS

Comprehensive General Liability - with minimum occurrence limits of \$1,000,000 and General Aggregate of \$2,000,000 (Should limits of \$1,000,000 be prohibitive due to exposure or availability, \$500,000/\$1,000,000 may be sufficient). The liability policy will need to include an Additional Insured endorsement naming the Monroe County District School Board.

Commercial Auto Coverage - with minimum combined single limit of \$1,000,000 (Should \$1,000,000 be prohibitive due to exposure of availability, \$500,000 may be sufficient).

Workers Compensation - Statutory limits and Employers Liability \$100,000 /500,000/100,000. Note, if the contract is with a sole proprietor with no employees, he/she may not have Workers Compensation and may not be required by the state of Florida to carry this coverage. If this is the case and you decide to waive the WC requirement, we recommend that the District specifically include a disclaimer in the contract describing the status as an Independent Contractor and a sole proprietor with no employees and confirming that the District would not be responsible for providing Workers Compensation coverage for any work related injury or illness.

ITB 2023023 – AC Repairs and Replacements

GENERAL TERMS & CONDITIONS

1. PREPARATION OF PROPOSALS:

- a) **Bidder's Liability:** Respondents are expected to examine the specifications and all special and general conditions, requirements, and instructions. Negligence on the part of the respondent to make the necessary examinations and investigations, visit appropriate site locations and become familiar with ALL locations covered under this solicitation, or failure to fulfill, in every detail, the requirements of the contract documents, will not be accepted as a basis for varying the requirements of the district or for paying additional compensation to the contractor. Failure to do so is at the contractor's risk.

Failure to follow the instructions contained in the solicitation for completion of a solicitation response is cause for rejection of a proposal.

- b) **Submittal of Proposals:** **PROPOSALS MUST BE SUBMITTED ELECTRONICALLY TO DEMANDSTAR.COM.** *Hard copy or email proposals will not be accepted.* Any company not responding to this request with either a proposal or a "NO BID" *may be removed from the active broadcast list.*

- c) **Receipt of Proposals:** The Internal Services Department / Purchasing Division is not responsible for timely submission of proposals. The Respondent is responsible to allow adequate upload time ensuring confirmation of submission from DemandStar is received by the specified due date and time.

- d) **Minimum Required Documents:** The following documents must be returned with your proposal to be considered responsive:

- i) Completed and signed **Invitation Package**
- ii) Completed **Proposal** form(s)
- iii) Certificate of Insurance

- e) **Forms:** All proposals must be submitted on and comply with the proposal forms provided. If additional space is required, the respondent may submit an attachment which will become part of the proposal response. The Invitation Package **must** be signed by the owner or authorized officer/agent of the company submitting a proposal or the proposal will be rejected. Hard copy, facsimile (FAX), or email proposals will not be considered.

- f) **Quoted Prices:** Prices are to be submitted in accordance with the quantities required, which appear in the solicitation invitation. Unit prices will prevail over extended totals whenever the extended amount is in conflict with the estimated quantity (x) the unit price. When a total group price of two or more distinct items is requested, the Internal Services Department / Purchasing Division reserves the right to verify mathematical extensions and totals, correct extensions and totals if necessary and recommend an award based upon the overall group total.

- g) **Freight Terms:** All items are to be proposed **FOB destination** with all transportation charges prepaid and included in the proposal prices and title transferring to the district at the time of delivery, unless otherwise stated in solicitation. Any exceptions to these freight terms taken by the respondent must be clearly stated in the respondent's proposal. The Internal Services Department / Purchasing Division will evaluate any such exceptions and determine if the exception constitutes grounds for rejection of the respondent's proposal.

- h) **Item Specifications:** Specifications in this document may reference specific manufacturers' products and list their model or part numbers, followed by the words "or equal" or "approved brands". Unless the words "only" or "No Substitutes" is used in place of "or equal", these references are intended to establish a quality and performance standard only. Anything listed, herein, of a proprietary nature is done so without express knowledge or intent to exclude other manufacturers' products from consideration.

i) The term "No Substitutes" or "Only" may be used when compatibility with other articles or materials is required or if standardization is desired.

ii) Any item proposed as an alternate which lacks sufficient descriptive literature or technical information to enable a complete comparative analysis, may prevent its consideration.

iii) If the respondent does not clearly state in their proposal that an item proposed is an alternate to that specified, the respondent must furnish the specified item upon receipt of a purchase order or else be declared in breach of contract.

- i) **Insurance Certificate:** When an insurance certificate is required, detailed specifications for this insurance will be included in the Insurance Requirement section of the solicitation.

- j) **Product Certification:** When product certification is requested, the respondent must submit a signed, notarized affidavit along with their proposal attesting that the item meets all specifications requested.

- k) **Proposal Organization:** Respondents are expected to organize their proposals in such a manner as to facilitate the evaluation process. Proposals should be keyed or indexed to correspond with this solicitation. Responses should be correlated to the specific Submittal, Criterion, Section or Paragraph Number of the **Competitive Solicitation or Request for Qualifications** being addressed. District staff will make a reasonable effort to locate information in the proposals; however, failure to follow this suggested format may make location of critical submittal information difficult, possibly resulting in a loss of appropriate point credit or complete rejection of your proposal.

ITB 2023023 – AC Repairs and Replacements

2. INQUIRIES/INFORMATION: Any questions by prospective respondents concerning requirements of this solicitation should be addressed by e-mail to the point of contact listed on page 3 of this solicitation. The Internal Services Department / Purchasing Division will assist vendors and facilitate questions to the appropriate individuals as deemed necessary. Requests for interpretation of the solicitation or additional information should be communicated to the Internal Services Department / Purchasing Division by e-mail prior to the "Last Day for Submission of Written Questions" period listed on the Calendar of Events. Vendors are encouraged to visit www.demandstar.com to obtain this information. The following information is available from this location, 24 hours per day, 7 days per week:

- A copy of a solicitation packet for a contract or project currently issued and any associated addenda (It is the respondent's responsibility to check www.demandstar.com frequently for an updated list of issued addenda)
- A listing of solicitations scheduled for award
- Historical solicitation award information
- A copy of all required documentation

3. ACCEPTANCE AND WITHDRAWAL OF PROPOSALS: A proposal (or amendment thereto) will not be accepted by the Internal Services Department / Purchasing Division after the time and date specified for the proposal opening, nor may a proposal (or amendment thereto) which has already been opened in public be withdrawn by the respondent for a period of ninety (90) calendar days after the proposal opening date and time, unless authorized by the Superintendent. By written request to Superintendent, the respondent may withdraw from the solicitation process and ask to have their sealed proposal returned at any time prior to the closing date and time for the receipt of proposals.

4. AMENDMENT & CANCELLATION: The Internal Services Department / Purchasing Division reserves the right to cancel, recall and/or reissue all, or any part, of this solicitation or request for proposal, at any time, if it is found to be in the best interest of the district to do so.

5. SOLICITATION OF DISTRICT EMPLOYEES & ACCEPTANCE OF GRATUITIES: The district expressly prohibits respondents from making any offer of employment or any other offering of value to any employee of the district who is directly or indirectly involved in the development, solicitation or evaluation and subsequent recommendation for award of this solicitation.

6. QUALIFICATIONS OF RESPONDENT: Proposals will be considered only from contractors, manufacturers, authorized distributors or dealers who are normally engaged in the manufacture, sale or distribution of the materials or services requested herein. The respondent must have adequate organization, facilities, equipment and personnel to ensure prompt and efficient service to the district. The Internal Services

Department / Purchasing Division expressly reserves the right to reject any proposal if it determines that the business and technical organization, equipment, financial and other resources, or experience of the respondent, compared to work proposed, justifies such rejection.

7. CONFIDENTIALITY OF STUDENT RECORD INFORMATION: Student record information may be provided to vendors to enable them to respond to a sealed competitive solicitation or to a Request for Proposal, or to perform under a contract already awarded to them. Vendors are hereby notified that any such student record information must be kept strictly confidential and may not be released to any other person or entity without authorization, pursuant to FS. 228.093 and Rule 6A-1.0955, FAC. Failure to comply with this directive could result in civil liability.

8. NON COLLUSION: The respondent, by affixing its signature to this proposal, certifies that its proposal is made without previous understanding, agreement, or connection with any person, firm or corporation making a proposal for the same item(s), and is in all respects fair, without outside control, collusion, fraud, or otherwise illegal action.

9. CONFIDENTIALITY OF INFORMATION SUBMITTED BY RESPONDENT: The district reserves the right to retain all copies of respondents' proposals and associated documentation submitted. Under Florida's public records laws, sealed proposals received by the district pursuant to competitive solicitations or requests for proposals may only be kept confidential until such time as the district provides notice of a decision or intended decision or within 30 days after the proposal opening, whichever is earlier. Vendor requests to hold certain submitted materials or information in confidence cannot generally be honored. If a vendor feels that public scrutiny of certain information requested in the solicitation documents could be detrimental to its business, the vendor should notify the district and cite the governing statute which exempts such material from public scrutiny.

In the matter of solicitations requiring a negotiation process; If the District rejects all sealed replies, the records may remain exempt from Florida Statute 119.07 until such time as the District provides notice of a decision or intended decision pursuant to Florida Statute 120.57(3)(a) concerning the reissued invitation or until the District withdraws the reissued invitation. Records may not remain exempt for longer than 12 months after the initial notice rejecting all replies. (FS 286.0113(3))

10. SUBCONTRACTING: The respondent must describe in their proposal, all responsibilities that the respondent anticipates assigning or subcontracting, identify all the subcontractors and also describe how the respondent will manage these subcontractors. The vendor will be held directly responsible and liable for the actions of all of its subcontractors and the actions of its subcontractors' employees.

ITB 2023023 – AC Repairs and Replacements

11. INTELLECTUAL PROPERTIES: If this agreement specifically provides for product development work on behalf of the District, any discovery, invention or work product produced for the District under this contract shall be the sole and exclusive property of the District. The vendor assigns to the District any and all claims of any kind, type or nature to such property, including but not limited to patent rights, copyrights and rights in data, arising out of the specific development covered by such agreement. Unless specifically agreed by the parties in writing, this paragraph will not apply to customizations of vendor's product. Any intellectual property rights arising out of such customizations will be the property of vendor. The parties acknowledge that if this Agreement does not specifically include the funding of any development, then all products, processes, or similar works developed and/or prepared by vendor in the course of this Agreement shall be the exclusive property of the vendor.

12. PUBLIC ENTITY CRIME & CONVICTED VENDOR LIST: Per the provisions of Florida Statute 287.133 (2)(a), "A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a proposal on a contract with a public entity for the construction or repair of a public building or public work, may not submit proposals on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Florida Statute 287.017 for **CATEGORY TWO** for a period of 36 months from the date of being placed on the convicted vendor list".

13. PROPOSAL PREPARATION COSTS: The costs to develop the proposal are entirely the responsibility of the respondent, and shall not be charged in any manner to the district. This includes, but is not limited to, the direct cost of the respondent's personnel assigned to prepare the respondent's response to this solicitation and any out-of-pocket expenses (including, but not limited to, travel, accommodation, supplies) incurred by the respondent in preparing their proposal.

14. VARIANCE TO SOLICITATION DOCUMENTS: For the purpose of proposal evaluation, respondents must clearly stipulate any or all variances to the solicitation documents or specifications, no matter how slight. If variations are not stated in the respondent's proposal, it shall be construed that the proposal submitted fully complies in every respect with our solicitation documents.

15. ADDENDA TO SOLICITATIONS IN PROCESS: Interpretations of the solicitation, clarification of solicitation specifications and requirements or changes to the solicitation which have a *material effect* will be documented and communicated to respondents **only by written addenda posted on www.demandstar.com**. Verbal responses to respondents' questions do not constitute an *official response*

unless documented in the form of written addenda and shall be considered inadmissible in bid protest proceedings. All such written addenda should be acknowledged on the "**Addendum Acknowledgement Form**" or by returning a copy of the signed addendum along with your proposal as proof of receipt. Failure to acknowledge such addenda may constitute cause for rejection of your proposal. Hard copy, telegraph, facsimile, or email acknowledgements of addenda will not be accepted.

16. FLORIDA STATE CONTRACTS & FLORIDA DEPARTMENT OF EDUCATION CONTRACTS: If a company currently holds a contract with the State of Florida, Department of Management Services, Division of Purchasing or the Florida Department of Education (FDOE), to supply the products or services requested in this solicitation, the respondent shall quote not more than the prices listed in these approved contracts. Failure to comply with this request may result in disqualification. The Internal Services Department / Purchasing Division reserves the right to reject all proposals and purchase from State contracts or FDOE contracts if doing so represents the best interests of the district.

17. SAFETY REQUIREMENTS: All items proposed must comply with ALL applicable safety requirements as required by Federal, State and local regulations, OSHA & EPA guidelines, and any other laws and regulations that govern the item(s) or services requested in this solicitation. All electrically operated equipment shall be UL® rated or approved. Corded equipment shall have a 3-wire grounded power cord or be double insulated and labeled as such.

18. PURCHASE OF MATERIALS WITH RECYCLED CONTENT: The Internal Services Department / Purchasing Division will seek alternative proposals, whenever possible, for select products containing recycled materials. Such products shall be purchased as long as all specifications are met and the price does not exceed an amount 10% more than the cost of comparable products made from 100% virgin materials.

19. MANUFACTURER'S CERTIFICATION: The Internal Services Department / Purchasing Division reserves the right to request a separate letter from the manufacturer of the products proposed certifying that all statements and claims made in the proposal are true, and that all products proposed meet or exceed the specifications stated in the solicitation documents.

20. SOLICITATION QUANTITIES: Quantities listed in the solicitation are estimates provided for respondent information purposes only. No guarantee is given or implied as to the exact quantities which will be purchased from this solicitation. The district reserves the right to increase or decrease all estimated quantities during the term of this contract or to delete any item or items as it deems appropriate, without affecting the proposal pricing or the terms and conditions of the solicitation.

21. METHODS OF AWARD:

ITB 2023023 – AC Repairs and Replacements

- a) **“By Item”**: Each item in the solicitation may be awarded individually to the lowest responsive and responsible respondent.

- b) **“All or None by Group, Section or Category”**: The solicitation will/may be divided into Groups, Sections or Categories of similar types of items when it would be impractical to split the award to multiple vendors. Each Group, Section or Category will be awarded to the lowest responsive and responsible respondent for all items contained within the Group, Section or Category. Respondents are required to propose on all items within the Group, Section or Category in order to be considered for award of that Group, Section or Category. After proposals are opened and tabulated, the Internal Services Department / Purchasing Division reserves the right to delete one or more items within a Group, Section or Category and recommend award of the balance of the items contained within that Group, Section or Category, when to do so represents the best interests of the district.

- c) **“All or None”** The solicitation will/may be awarded to all respondents to the solicitation, or may be awarded to no respondents. In the event of awarding to no respondents, the school district will issue a “Notice to Reject All Bids”.

- d) **“Primary & Secondary Suppliers or Contractors”**. The solicitation is awarded to both a **Primary** and a **Secondary** supplier or contractor when it is critical to have a backup source of supply, or when it is anticipated that only one vendor cannot effectively handle the volume of business generated under the contract. In the event that the **Primary** supplier or contractor cannot perform in accordance with the district’s needs, the district reserves the right to use the **Secondary** supplier or contractor at its sole discretion. The **Primary** and a **Secondary** suppliers or contractors are defined as the two lowest Responsive and Responsible respondents.

- e) **“Rotating Short List of Contractors”**. An RFQ is awarded to a short list of Responsive and Responsible contractors, the 2020018 of which is pre-defined in the solicitation documents. The district will use a list of selection criteria to determine eligibility to make the short list. Project work is rotated through the short list as it is identified. Every effort is made to equitably distribute the workload amongst all contractors.

- f) **“Qualified Supplier Sourcing”** An RFQ (*Request For Qualifications*) is awarded to a listing of suppliers based on qualification criteria. The district will use a list of selection criteria to determine eligibility and award consideration.

22. DELIVERY LEAD TIME: Each respondent shall state the number of consecutive calendar days they require after receipt of order (A.R.O.) to either complete delivery or provide the requested services in the space provided on the **Proposal** form. The length of time to complete a project and deliver all of the items ordered could be a factor in awarding this solicitation. If a finite number of days have been specified for delivery or project completion, this deadline must be met. If a finite number of days

have not been specified in the solicitation and the respondent has not stipulated a specific lead time for delivery in their proposal, orders will be considered delinquent after 30 days from the issue date of the purchase order.

23. TAXES: Purchases are exempt from **ALL** Federal excise and State sales tax.

24. FISCAL NON-APPROPRIATIONS CLAUSE: In the event sufficient budgeted funds are not available for a new fiscal period, the Internal Services Department / Purchasing Division shall notify the vendor of such an occurrence and the contract shall terminate on the last day of the current fiscal period without penalty or expense to the district.

25. SOLICITATION SAMPLES: The respondent shall provide product samples, without charge, when requested. Criteria used to determine compliance with specifications include, but are not limited to; performance, delivery lead time, workmanship, fit and finish, compatibility with existing stock, and durability. If the sample is not consumed through testing, it will be returned to the respondent when said request is submitted with the proposal. Unused samples will be returned at the respondent's risk and expense. The successful respondents' samples may be retained until all the terms of the purchase order or contract have been fulfilled. All samples are to be submitted at the place indicated in the **Special Conditions** section of the solicitation in accordance with the instructions outlined therein.

26. PROMPT PAYMENT DISCOUNTS: Only prompt payment discounts offered for thirty (30) days or longer will be taken into consideration when determining lowest proposal.

27. TIE PROPOSALS: In the case of identical qualified proposals, if all other considerations are equal, the Board prefers to purchase within the District from established local vendors.

28. ERRORS AND OMISSIONS: In the event an error or obvious omission is discovered in a respondent's proposal, either by the Internal Services Department / Purchasing Division or the respondent, the respondent may have the opportunity of withdrawing their proposal, provided they can produce sufficient evidence to document that the error or omission was clerical in nature and unintentional. Actual original copies of working papers, calculations, etc., may be requested at the Internal Services Department / Purchasing Division's discretion, to support the validity of such a request. This privilege shall not extend to allowing a respondent to change any information contained in their proposal; however, in the event of a minor omission or oversight on the part of the respondent, the Internal Services Department / Purchasing Division (or designee) may request written clarification from a respondent in order to confirm the evaluator's interpretation of the respondent's response and to preclude the rejection of their proposal, either in part or in whole. The Internal Services Department / Purchasing Division will have the authority to weigh the severity of the infraction and determine its acceptability. Informalities and improprieties may

ITB 2023023 – AC Repairs and Replacements

be waived if deemed to be in the best interest of the district to do so.

29. BASIS OF AWARD OF SOLICITATIONS: When price and specification compliance are the primary criteria for making the vendor selection, the Superintendent will recommend the lowest responsive and responsible respondent(s) to the Board. A "Responsive" Respondent is defined as one whose proposal is in substantial conformance with the material requirements of the solicitation. A Respondent who substitutes its standard terms and conditions for the district's, or who qualifies its proposal in such a manner as to nullify or limit its liability to the district will be considered non-responsive. A "Responsible" respondent is defined as one who is able to satisfactorily perform the work described in the Competitive Solicitation or request for proposal. The district may apply all, or any part of the following criteria to measure a Respondent's degree of responsibility

- Size of firm
- District's past experience with firm
- Financial status of firm
- Capabilities of Management and Technical staff
- Labor relations
- Internal procedures of the firm
- Capacity of the firm
- Bonding capacity
- Reputation of firm among its peers
- Customer references
- Service after the sale
- Facilities and reserve facilities
- Location of firm
- Location of service facilities
- Professional credentials

When additional criteria other than price must be considered, a point system may be used to make the vendor selection, the Superintendent will then recommend the vendor receiving the highest point score to the Board. Slight variations or irregularities may be accepted by the Board if either is found to be in its best interest of the district to do so.

30. REJECTION OF PROPOSALS: A proposal may be rejected by the Internal Services Department / Purchasing Division if it is non-responsive or the respondent is determined to be not responsible. A proposal is not officially rejected until the School Board approves the recommendation. Proposals may not be rejected frivolously to avoid a protest or litigation. The Board reserves the right to reject any or all proposals received.

31. NOTICE OF INTENT TO AWARD SOLICITATIONS: Once proposals are evaluated and a recommendation for award is received by the Internal Services Department / Purchasing Division, a *Notice of Intent to Award* will be posted on www.demandstar.com. The recommendation for award is not official until approved by the School Board. Intent to Award Notices are normally posted on or about two weeks preceding the Board meeting date listed on the Calendar of Events. Occasionally a supplemental posting may occur after the regular

posting if it is essential to include the award on the next Board agenda. This schedule may vary depending on the Board meeting schedule from month to month. **Since this information is available as outlined above, the Internal Services Department / Purchasing Division will not mail or fax intent to award notices to all respondents.**

32. BID PROTEST: If a respondent wishes to protest a solicitation, they must do so in strict accordance with Monroe County School Board Policy 6320. Copies of this procedure are included in the solicitation document and are also available at www.KeysSchools.com. Any person who files an action protesting the solicitation specifications or a decision or intended decision pertaining to this solicitation pursuant to FS 120.57(3)(b), shall post with the Internal Services Department / Purchasing Division at the time of filing the formal written protest, a bond payable to the Monroe County School District in an amount equal to 5 percent (5%) of the total estimated contract value, but not less than \$10,000 nor more than \$25,000, which bond shall be conditioned upon the payment of all costs which may be adjudged against the protester in the administrative hearing in which the action is brought and in any subsequent appellate court proceeding. In lieu of a bond, a cashier's check, or certified bank check, will be an acceptable form of security.

Failure to file a protest within the time or manner prescribed shall constitute a waiver of proceedings.

Any person who is adversely affected by the District's decision or intended decision concerning a proposal solicitation or a contract award shall file with Superintendent a written notice of protest within seventy-two (72) hours after posting of the notice of the decision or intended decision. Saturdays, Sundays and legal holidays shall be excluded in the computation of the 72-hour time periods. The formal written protest shall be submitted by the person within ten (10) days after filing the notice of protest. Failure to file a formal written protest shall constitute a waiver of proceedings under Chapter 120, Florida Statutes. A protest is officially filed when it is received in the Internal Services Department / Purchasing Division. The formal written protest shall contain the following: (a) name, address, and file or identification number, if known, of the affected agency. (b) Name and address of the affected party (c) a state of the ultimate facts upon which the protest is based: and, (d) such other information as deemed relevant the issue.

33. NOTIFICATION OF SOLICITATION AWARD: After the Board awards a solicitation, the Internal Services Department / Purchasing Division will issue an official award letter, a purchase order, or both, which will authorize the respondent to commence delivering materials or providing services.

34. AUTHORIZATION TO PERFORM UNDER A CONTRACT: All purchases must be properly authorized in advance. Vendors must first obtain either a printed purchase order, a purchase order number or a purchasing card account number before commencing performance under a contract. Vendors shall take

ITB 2023023 – AC Repairs and Replacements

no directions to modify (increase, change, decrease, cancel) a purchase order, once issued, from anyone other than the buyer listed on the purchase order. Additional work must be authorized in advance by the buyer who will issue either a change order to the original purchase order or a supplemental purchase order. The vendor assumes all liability for any costs or damages incurred and payment will be denied for additional work if this procedure is not strictly followed.

35. POINT OF CONTACT: The district will consider the selected respondent(s) to be the sole point of contact with regard to all contractual matters, including payment of any and all charges.

36. ASSIGNMENT OF CONTRACT: The final contract to be awarded and any resulting amounts to be paid shall not be transferred, pledged, or assigned without the prior written approval of the district.

37. LICENSES AND PERMITS: The vendor shall obtain and pay for all necessary licenses, permits, and related documents required to comply with the solicitation specifications. The vendor shall save and hold harmless the district as a result of any infraction of the aforementioned.

38. CONDITION OF ITEMS: Unless otherwise specified in the **Special Conditions** section of the solicitation, all items requested must be **new**, the **latest model manufactured, first quality, carry the manufacturer's standard warranty** and be **equal to or exceed the specifications** listed in the solicitation. Proposals on "*used, remanufactured or reconditioned equipment*" or "*blends or seconds*" will not be considered unless specifically requested in the solicitation documents.

39. INSPECTION: The district reserves the right to have inspectors on the premises of the respondents or manufacturers at any time during the manufacturing or assembly process to verify compliance with solicitation specifications.

40. PACKAGING: All products require adequate packaging to protect them from damage in transit. Packaging must fully cover and protect merchandise. Vendors must fully comply with all special packaging requirements, if and when specified in the solicitation document. When corrugated carton packaging is specified, poly wrap or blanket wrap will not be acceptable. Respondents are requested to provide products with environmentally safe packaging if at all possible. The district assumes no responsibility for damage of any kind incurred while the items are in transit. Respondents may adjust unit packaging up or down only when attempting to reach the next standard unit pack. Otherwise, only exact quantities requested will be accepted and no overages will be allowed.

41. STANDARDS OF CONDUCT: Vendors awarded a contract will be held to the same standards of conduct as employees of the school district while conducting business with the district. These standards, as defined in School Board policies, will apply not only to employees of the vendor, but also to the employees

of its subcontractors. Standards of Conduct are located at www.KeysSchools.com.

42. ITEM SUBSTITUTIONS & DISCONTINUATIONS: Under no circumstances may a vendor substitute a different product for any item they were awarded from this solicitation, without prior approval from the Internal Services Department / Purchasing Division. In the event an awarded item is discontinued by the manufacturer or the vendor no longer offers the item in their product line during the term of this solicitation, the vendor **must** provide an acceptable substitute item at a mutually acceptable negotiated price, or risk being found in default. The vendor must file a written request with the Internal Services Department / Purchasing Division and be granted approval to substitute, in writing, before any substitution may be made. Requests to substitute should be accompanied by complete detailed, technical specifications for the proposed substitute item, and a sample, if requested. The district reserves the right to purchase on the open market while negotiations are being conducted.

43. RECEIPT OF MERCHANDISE & DELIVERY NOTIFICATION: The purchaser reserves the right to reject any and all materials or products delivered which, in its opinion, do not comply with the solicitation specifications, within 5 calendar days of receipt. All materials or products rejected by the purchaser shall be promptly removed and replaced by the vendor at no charge. All shipments are to be off-loaded from the delivery vehicle to the loading dock or brought inside the building if the facility has no loading dock. The exception will be for materials obviously intended for outdoor use. Deliveries shall be made between the hours of 9:00 AM and 3:00 PM, Monday through Friday, excluding holidays, unless stipulated. Exceptions to this schedule will be stated in the **Special Conditions** or on the purchase order. For shipments which may require the assistance of district personnel to off-load merchandise, or when the purchase order specifies vendor installation, the person to whose attention the items are being shipped should be notified a minimum of forty-eight (48) hours prior to delivery to allow sufficient time to prepare the area.

44. EQUIPMENT DEAD ON ARRIVAL (D.O.A.): Any product shipped which arrives inoperable or ceases to function within seven (7) business days of the initial installation shall be considered DOA and shall be replaced by the vendor with a new product identical to the one ordered within 30 days of notification at no charge to District.

45. INVOICES AND PAYMENT TERMS: All invoices, packing lists, and correspondence should reference our purchase order number. Unless otherwise stated in the **Special Conditions**, payment will only be made after the merchandise or services have been:

- Received complete or substantially complete;
- Inspected and found to comply with all specifications and be free of damage or defect;
- Properly invoiced. A minimum of **thirty (30)** days is required for payment. Photocopies of original invoices may be sent to other district personnel if they request it, but the original copies

ITB 2023023 – AC Repairs and Replacements

must be sent to the District. Failure to follow this procedure may result in payment delays. Occasionally, a school may issue its own internal purchase order. Invoices associated with a school's internal purchase order should be submitted directly to the school for payment.

46. BREACH OF CONTRACT AND TERMINATION FOR CAUSE:

The District reserves the right to terminate this contract for cause. The failure of the vendor to comply with any provision of this contract shall constitute a breach of contract and just cause for termination. Prior to the district terminating a contract, the Superintendent will initiate an internal review of the case in which the vendor may be invited to participate. If after examining the facts surrounding the case, the Superintendent feels that sufficient grounds exist to declare the vendor in default, he or she shall notify the vendor in writing, making specific reference to the provision(s) that gave rise to the default. The vendor shall then be entitled to a period of five (5) working days from receipt of such notice in which to cure the breach. If the breach is not cured within the five (5) day period, the Superintendent (or designee) shall serve a written notice of termination on the vendor, which shall become effective thirty (30) calendar days from the vendor's receipt of such notice. The failure of either party to exercise this right shall not be considered a waiver of such right in the event of any further breach or non-compliance.

47. RENEWAL OF SOLICITATIONS: This Contract may be renewed for a period that may not exceed three (3) years or the term set forth above, whichever period is longer. The compensation for the renewal term shall be determined prior to renewal of this contract and is subject to approval by the MCSB. Further, renewal of this contract is contingent upon a determination by the MCSB that the services have been satisfactorily performed, that the services are needed and upon availability of funds.

48. ADMINISTRATIVE REGULATION ON FINGERPRINTING:

All Vendors awarded contracts that require contractors, workers, or subcontractors to perform services on school facility grounds will comply with The Jessica Lunsford Act. The expense of fingerprinting individuals is to be borne by the contractor or person finger printed unless waived by the Superintendent. In accordance with the legislative mandate set out in sections 1012.32, 1012.465 and 435.04, Florida Statutes (2005) as well as with the requirements of HB 1877, The Jessica Lunsford Act (2005), effective September 1, 2005, Contractor agrees that all of its employees and sub-contractors, including employees of sub-contractors, who provide or may provide services under this Contract have completed all background screening requirements through a Monroe County School Board designee pursuant to the above-referenced statutes. It is recognized and agreed that the provisions and exceptions relating to the dictates of The Jessica Lunsford Act, and codified at sections 1012.321, 1012.465, 1012.467 and 1012.468 of the Florida Statutes, shall apply to the requirements of this paragraph where so applicable.

49. CIVIL RIGHTS COMPLIANCE: The Contractor certifies it is in compliance with the Office for Civil Rights requirements with

respect to nondiscrimination on matters related to race, sex, handicap or age, and the contractor further agrees that it shall not discharge; fail or refuse to hire; limit, segregate, or classify employees or applicants for employment opportunities or adversely affect any individual's status as an employee; or otherwise to discriminate against any individual with respect to compensation, terms conditions or privileges of employment, because of such individual's race, color, religion, sex, national origin, age, handicap or marital status except as may otherwise be provided by law or as a result of a bona fide occupational qualification reasonably necessary for the performance of the particular employment.

50. FEDERAL LAW COMPLIANCE: The Contractor certifies it is in compliance with applicable provisions of the Civil Rights Act of 1964; Title IX of the Education Amendments Act of 1974; Section 504 of the Rehabilitation Act 1973; The Individuals with Disabilities Education Act; and the Immigration Reform Act of 1986, all as may be amended from time to time.

51. VENDOR CONDUCT DURING SOLICITATION:

Respondents to this solicitation or persons acting on their behalf may not contact, between the release of the solicitation and the end of the 72-hour period following the agency posting the notice of intended award, excluding Saturdays, Sundays, and state holidays, any employee or officer of the executive or legislative branch concerning any aspect of this solicitation, except in writing to the procurement officer or as provided in the solicitation documents. Violation of this provision may be grounds for rejecting a response.

52. E-VERIFY Beginning January 1, 2021, all contractors doing business with the Monroe County School District shall be required to provide proof of enrollment in the E-Verify system. Contractor shall be required to insure compliance with all applicable E-Verify requirements, including screening all employees to verify their work authorization status. If Contractor enters into any contract with a subcontractor, Contractor shall be required to obtain an affidavit from the subcontractor confirming that the subcontractor does not employ, contract with, or subcontract with any person who is not authorized under federal law to be employed in the United States. Contractor shall be required to maintain a copy of said affidavit for the duration of the Contract Term.

53. POLITICAL & IDEOLOGICAL INTERESTS: Respondents are hereby notified that, pursuant to Section 1010.04(5), Florida Statutes, the Monroe County School District will not consider or request documentation of a respondent's social, political, or ideological interests in determining whether the vendor is a responsible vendor. A responsible respondent is one which the Monroe County School District determines has the ability, capability, experience, and requisite licenses to perform the required services or provide the requested goods, within the time specified and without delay or interference, and has a satisfactory record of successful performance, integrity, and business ethics, and meets the minimum qualifications established by this solicitation.

ITB 2023023 – AC Repairs and Replacements

FEDERAL FUNDING CONTRACT PROVISIONS

Federal Funding Contract Provisions/Clauses (200.326) apply to all contracts using Federal Funds as a source for the purchase of goods and/or services. The contractor/vendor must not take exception to any part of these regulations.

Contractor/vendor/firm must comply with the following Federal requirements:

1. RECORDS RETENTION (34cfr 80.36(l)(11))

All vendors, contractors and subcontractors must retain all records pertaining to this contract for five (5) years after the District makes final payments and all other pending matters are closed.

2. CLEAN AIR ACT (34 CFR 80.36(i)(12))

All vendors, contractors and subcontractors must comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15).

3. ENERGY EFFICIENCY (34 CFR 80.36(l)(13))

All vendors, contractors and subcontractors must comply with mandatory standards and policies relating to energy efficiency, which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

4. DISCOUNTS, REBATES & CREDITS (7 CFR Part 210.21 (f)(i))

The Monroe County School District shall ensure that the awarded bidder discloses all discounts, rebates, allowances, and incentives received by the Company from its suppliers. If the Company receives a discount, rebate, allowance, or incentive from any supplier, the Company must disclose and return to the Monroe County School District the full amount of the discount, rebate, or applicable credit that is received based on the purchases made on behalf of the Monroe County School District. All discounts, rebates, allowances and incentives must be returned to the School District.

5. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. 3701-3708)

Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000.00 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard workweek of 40 hours. Work in excess of the standard workweek is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions, which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

ITB 2023023 – AC Repairs and Replacements

6. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or sub-recipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by awarding agency.

7. RECOVERED MATERIALS

A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

8. EQUAL EMPLOYMENT OPPORTUNITY (34 CFR 80.36(i)(3))

All vendors, awarded firms and sub-contracted firm must comply with Executive Order 11246 of September 24, 1965, entitled “Equal Employment Opportunity”, as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (43 CFR Chapter 60).

9. COPELAND “ANTI-KICKBACK” ACT (34 CFR 80.36(i)(4))

CREATES: ss. 1012.321, 1012.467, 1012.468, F.S.

EFFECTIVE: July 1, 2007

THIS BILL HAS SCHOOL BOARD POLICY IMPLICATIONS

This bill amends Jessica Lunsford Act provisions that require background checks for contractors on school grounds. The bill defines “noninstructional contractor” to mean any vendor, individual, or entity under contract with a school or with the school board who receives remuneration for services performed for the school district or a school, but who is not otherwise considered an employee of the school district. The term also includes such contractor’s employees and subcontractors and subcontractor’s employees. The bill defines “school grounds” to mean the buildings and grounds of any public prekindergarten, kindergarten, elementary school, middle school, junior high school, high school, or secondary school, or any combination of grades prekindergarten through grade 12, together with the school district land on which the buildings are located. The term does not include any other facility or location where school classes or activities may be located or take place, the public school buildings and grounds during any time period in which students are not permitted access, or any such buildings during any period in which it is used solely as a career or technical center for postsecondary or adult education.

The bill provides a list of offenses that automatically disqualify a noninstructional contractor from being on school grounds when students are present. The bill also provides an exemption from the screening requirement for a non-instructional contractor who:

- is under direct line-of-sight supervision of a person who meets the screening requirements;
- is already required, and has undergone, a level 2 background screening;
- is a law enforcement officer assigned or dispatched to school grounds, or an employee or medical director of an ambulance provider;
- works and remains in an area separated from students by a 6-foot chain link fence;
- provides pick-up or delivery services to school grounds.

The bill also exempts instructional personnel who work with children with developmental disabilities or who are child care personnel meeting certain requirements. The exempted contractors are subject to a search of the online state and national registry of sexual predators and sexual offenders at no charge to the contractor.

For those subject to a fingerprint-based background check, the check must be performed at least every five years and may be paid for by the school board, the school, or the contractor. Any fee charged by a school board may not exceed 30 percent of the total costs charged by FDLE and the FBI for the check. FDLE is required to implement an Internet-based system for school districts to share the results of the background checks.

Further, the bill requires a contractor who is arrested for a disqualifying offense to report the arrest to the employer or primary contractor and the school district within 48 hours. If a contractor has been arrested for a qualifying offense, it is a third-degree felony for the contractor to willfully fail to report the arrest or for an employer or primary contractor to knowingly authorize the contractor to be on school grounds when students are present. If a contractor is to be denied access to school grounds, the school district must notify the contractor of the basis for denial. The only basis for contesting the denial is mistaken identity and misinterpretation of an offense from another jurisdiction. The bill provides immunity from civil and criminal liability for employees of school districts and schools who share background check information in good faith. It also provides that the new or amended portions of the School Code are not intended to create a new duty of care or basis of liability, or to create a private cause of action.

THE DISTRICT SCHOOL BOARD OF MONROE COUNTY, FLORIDA

E-VERIFY AFFIDAVIT

Beginning January 1, 2021, Florida law requires all contractors doing business with the Monroe County School District to register with and use the E-Verify System in order to verify the work authorization status of all newly hired employees. The Monroe County School District requires all vendors who are awarded contracts with the District to verify employee eligibility using the E-Verify System. As before, vendors are also required to maintain all I-9 Forms of their employees for the duration of the contract term. To enroll in the E-Verify System, vendors should visit the E-Verify Website located at www.e-verify.gov.

In accordance with Florida Statute § 448.095, IT IS THE RESPONSIBILITY OF THE AWARDED VENDOR TO ENSURE COMPLIANCE WITH ALL APPLICABLE E-VERIFY REQUIREMENTS.

By affixing your signature below, you hereby acknowledge that Florida Law requires you to register with and use the E-Verify System to verify the work authorization status of all newly hired employees. Furthermore, by signing this affidavit you affirm, under penalty of perjury, that you have complied with all applicable E-Verify requirements as of the effective date below.
